**North Star** Posy Roberts, 2019-01-22 A romance with a seventeen year intermission. Love that's worth the wait and now a family to fight for. Back in high school, Hugo and Kevin were best friends and secret lovers, but love came too early for them to make a solid commitment. College, other relationships, kids for Kevin, and years got in the way, but a chance meeting at a lake in the middle of nowhere proves the spark that first drew them together remains. Seventeen years later, life is a lot more complex, but falling in love again is easy. In *Spark*, Hugo and Kevin attempt to rekindle their relationship while overcoming the obstacles of coming out, divorce, and parenting. Second chances at lost love are rare, but worth it. In *Fusion*, Kevin and Hugo make plans to blend their lives, but bleak news changes everything. Building a future together is still a priority, but only if their relationship can survive. And in *Flare*, Hugo and Kevin seek stability for themselves and the kids after tremendous loss. They never expected family and friends to toss obstacles in their way, but they are determined to fight for their happily ever after.

**Spark** Posy Roberts, 2018-06-23 Second chances at lost love are rare. Years after they drifted apart, Hugo and Kevin's passion easily reignites, but finding where Hugo fits in Kevin's complex life is a challenge. A love story with a seventeen year intermission. Hugo Thorson fell in love when he was sixteen. He's maybe been in love since, but probably not. He's been too busy directing plays to devote much time to men who can't accept all of him. No one ever made him feel like his first love did. Kevin Magnus married a woman and has two children, but the marriage wasn't happy. In the shadow of divorce, he's striving to be a better father, but he's still a work in progress. When Hugo and Kevin bump into each other at the lake, memories of their last kiss incite a new first kiss. Visions of the life they always wanted are vivid, but so much stands in the way of their dreams. Hugo is out and proud, but no one knows Kevin's bisexual. If Kevin comes out, he risks losing custody of his kids. If he doesn't walk hand in hand with Hugo, he risks losing the love of his life. The curtain may never rise on their second act.
