end up wanting it even more The Four stories are Turned into a Sissy Baby The Computer Virus Ted Becomes Teddie A Submissive Sissy Baby     **25 ODES to Rachna Ma'am** Mike Watson, Yes Ma'am it is That was an actual Twitter user a lady who wrote in about my constant odes to my wife how I keep posting about her my groveling odes that even submissives and sissies have shaken their heads in wonder at i.e. how can he worship her THAT MUCH And she's right Think about it I even thank her for taking a crap in the mornings Now to be honest that sort of extreme groveling in front of women in general well it's nothing new to me I've always treated and thought of women as the superior sex or gender and I've always in this regard been a huge proponent of the her way or highway way of thinking provided the guy and girl are both into it which they should be And YOU are definitely into this or you wouldn't have bought this book or you wouldn't WANT to buy it Hehe Chances are excellent and second to none you're a male married or hoping to be submissive or sissy reading this someone that WISHES their wife or significant other was more dominating someone that WANTS her to be Chances are also great you're a lady reading this enjoying as a certain Madam Athena did my odes to my wife The quote above is hers And her sentiments have been reciprocated roundly by many both male and female but it's really the female comments I love most because in general those are written with brain and not the little brain as with most men On that note why do I call her Rachna Ma'am and not Memsahib or Goddess or some of the more grovelingly submissive sounding terms I've used Well partly because as my first Editor once so sagely told me that might be overkill i.e. calling her Goddess at EACH turn or more Now that doesn't mean I don't do it I still call her that But femdom is so NORMAL in our lives that even saying Rachna well it's not the WORD you're using it's the VIBE So long as the vibe shines through that is what is needed and is what ATTRACTS Anything else is not necessarily overkill but not required as well Additionally keeping one foot in the real world was something else the good ole Editor emphasized and he was right Hehe Yours truly of course takes it to a whole NEW level by well REAL life mixed in with a dab of creative license NOT the other way around This book does not contain any how to attract femdom to you for that there are other books I sell and that you should get and read in conjunction with this book you'll see them throughout this book too in the odes A complete guide to understanding dominant ladies from the Chinese mainland which works for ladies of ALL hues shapes colors and nationalities in other words women in general and 16 Incredibly Powerful Femdom Affirmations that will attract femdom to you like moths to a FLAME that is perfect Madam Andy on the cover There I go with the superlatives but they deserve it And you'll see that throughout the odes here Anyway in the first tip you'll see my wife's job is a recruiter And she keeps getting called Rachna Ma'am so many times and I hear it all day so well Repetition of the same chant the same affirmation the same incantations leads to BELIEF Once that belief becomes a deep conviction things begin to HAPPEN That's the great Claude Bristol quote from the Magic of Believing I NEVER tire of repeating either mentally or otherwise I even have it on my desktop plain black words on white or white on black but they make more impact than anything else ever has in my life Period no pun And femdom wise well I had it from childhood Hehe

So while this book doesn't have any how to's it does have PROOF that what I teach works as if you needed proof from someone whose routinely called the Real Mc Coy of femdom and fetish hehe As if you needed more proof if you're a reader of my other books Maybe you don't But I am giving you some anyway and the main thing is how YOU the reader can draw inspiration from these odes and use them to YOUR advantage either from a submissive standpoint and or a dominant standpoint That is the real point of this book And if you're a true femdom lover you won't need any more why did I write this book You dear Reader will NEVER EVER FIND A WOMAN more dominating than Rachna Ma'am well you might but so NATURALLY commanding superior dominating to the point of literally treating every other male like utter DIRT well my wife is the reigning Queen there I'm so lucky and therefore these odes to her More on the way soon For now pucker up she loves it or if you're a FEMALE reading this make your man do it she loves that even more per the advice she gives all her friends regularly And enjoy Best Mike Watson      *Femdom ODES - the READER!* Mike Watson, 2023-02-14 FOUR VOLUMES IN ONE Contains 15 ODES to PERFECT Madam Susan Why Why Susan Because she's just so PERFECT So commanding such a GODDESS so NATURALLY DOMINANT so perfect 25 Odes to Rachna Ma'am Groveling odes to my WIFE one of the most naturally dominant and commanding rude bratty and more and MANLY ladies ever Oh she's so MANLY so NICE 25 ODES to Perfect Pooja Memsahib Ji and Indian ladies in general You're so PERFECT Madam Ji Paye LAGU MEMSAHIB Ji Paye lagu 25 ODES to Indian maids they so DESERVE IT 25 odes to downtrodden ladies from the subcontinent that will teach YOU about femdom REAL femdom LASTING femdom in a manner that hits HOME in a manner that will NEVER leave you and bring it to YOU too at the deepest levels like never before as it should be TRULY A VALUE GRAB LIKE NONE OTHER Grab this NOW Best Mike Watson      **Sissy Confessions - Volume ONE!** Mike Watson, 2022-05-17 Those confessions we all have every sissy thinks obsesses takes it to bed with her and more thoughts that PLAGUE in a nice way us all day long thoughts we SO want to share with her but sometimes can't and thoughts which ultimately shape what we DO Why did I write this series Certainly with all the other writing I did along these lines I don't have to But as I look at my wife lying fat thighs so NICE especially the rolls of fat the lazier she is the better I've often said that women should be entitled bratty and LAZY that's when they're the most controlling dominating and ATTRACTIVE soles bobbing up and down I can never get enough of serving her and talking about COCK And in general while serving her either sexually or otherwise talking about some of the things I talk about SO often here Except I don't talk about them ALL Hehe And I'm lucky in that I'm at least at this point where I can talk about SOME of it Most men their SO's would throw a hissy and leave if they even MENTIONED any of their real desires those dormant desires which I wrote about before NEVER go away and everyone has them no matter how you try to deny them But do you ACT upon those desires We all have one life my friend And what use that life if not lived to the fullest Will you really care what people think when you pass i.e. if you did something that is SSC really really like something you really really WANT nay CRAVE who cares Most people live lives of quiet desperation as the great Thoreau once said And they

rarely if ever bring out their innermost thoughts dreams and desires like I do publicly And I ve never been happier So will YOU my friend so will YOU once you do what Colonel Trautman told Rambo in First Blood Part III i e accept the inner you It s YOU And thats what matters And this treatise well if you ve been having thoughts of oh I should not be thinking that way or guilt trips etc as I once did about wanting so desperately to be a sissy well this treatise will BANISH all such thoughts instantly Indeed my writing is not just so erotic not just so unique nothing like our stuff out there but most importantly so REAL life and NO or very little creative license despite a life SO full most can t believe it that you too will be inspired to take the sissy BULL by the horns or penis and just beg to DO And that probably more than anything is why I wrote this book More benefits Well for you sissies and faggots wanna be or not reading this What you think about is indeed what you ATTRACT except most people dont think about it the right way And thats 1 right at the top learn how to THINK the right way this is something I teach in ALL my courses If you re thinking something chances are excellent or second to none that if you do with deep EMOTION it will happen Learn just how in terms of BDSM sissydrom and so forth You ll learn after reading this book why HONEST and open is truly what women like not so much your preferences as a sissy Why NOT being able to control your ejaculation or staying hard is not just a matter of PRIDE for sissies but a level every sissy should aspire to ATTAIN to or the other way around Why cumming in one s pants often involuntarily is the greatest HONOR any sissy could ever be afforded And why even sissies that are GOOD in bed with their penis should try NOT TO BE your TONGUE is what is needed Why PENIS and penis love are often misunderstood and why as I stated so many times in my books specially Cock Worship for Sissies and Faggots and Penis Central but one of them loving PENIS is an absolute MUST I repeat absolute MUST if you want to be a sissy at ANY decent level Why you MUST aspire as a sissy to get to the point where you think nothing but COCK and feet or feet and COCK all day And consequently why you must aspire to hone your servitude skills better than anyone else out there including the TIP of your tongue too if you get my drift How and why and these tips will tell you or these CONFESSIONS you could call them tips as well to REWIRE your sexuality permanently so the above is ALL you think about and attract and trust me just reading do what I say you ll see How to get more comfortable in your REAL skin as a sissy like never before The stunning similarity if done right between maledom and femdom and THIS alone is worth the price and ticket of admission for all reading this What your TRUE first love and how it really happened and we all know we ve all had those experiences teach you a LOT about who you TRULY are and your desires too but you ll learn doublefold and more the real meaning of true love Why you must love his penis not just more than your own thats a GIVEN but why you must love his penis above ALL why his PENIS should ultimately be the focal point you focus on think of everything get to know his DONG better than your own FACE and why and how that will aid more than anything else in becoming the PERFECT SISSY Even if you already love cock learn how to fantasize about it to a point where that is ALL you think about therefore ATTRACT Even if you aren t really interested in being a sissy a dream sissy a perfect sissy if youre just interested in tiltilating yourself without
