*Corps, apparence et image* Nicolas Guéguen, 2025-06-18 Le corps et l'apparence viennent affecter la façon dont les autres vont nous juger et la manière dont ils vont interagir avec nous dans les multiples circonstances de la vie : production, vie quotidienne, travail, éducation, etc. Ils sont l'objet de croyances souvent erronées et la méconnaissance générale des mécanismes qui y sont liés peut poser de nombreux problèmes tant opérationnels que théoriques Cet ouvrage présente une synthèse des recherches les plus récentes menées par la psychologie sociale sur ce thème Il détaille la façon dont on juge autrui et soi-même à partir de la perception de son corps ou du corps d'autrui et de l'apparence physique et vestimentaire en abordant les grands thèmes de la psychologie sociale que sont les normes sociales et culturelles la perception de soi et des autres les représentations sociales et le jugement de soi et d'autrui

*The Sex Goddess in American Film, 1930-1965* Jessica Hope Jordan, 2009 In the first critical study of the sex goddess in film Jessica Hope Jordan illustrates how Jean Harlow uses her sexualized body to affect and seduce viewers away from any primary identification with those characters and their plotlines that are supposed to lead the film to identifying instead with the kind of sexual empowerment and self-possession her characters consistently display Linking the idea of sexual empowerment to the filmic and public celebration of hyper-feminine sexuality the book additionally covers previous feminist discussions of Mae West's performances as feminist camp to argue that West sought to both celebrate and embody for women viewers what she viewed as cultural ideals of femininity and women's sexuality With Lana Turner and the cinematic code the book considers the many problems inherent in both the filmic and public celebration of hyper-feminine sexuality in relation to censorship and considers the effects of the Hays Code on hyper-feminine sexuality as depicted in film noir The book also importantly presents the first critical discussion of the actress Jayne Mansfield suggesting that her 1950s open acceptance celebration and public promotion of her feminine sexuality both onscreen and off makes her not only a precursor of the more sexually liberated 60s but also like the other actresses discussed here a kind of prescient performance artist even theorist of feminine sexuality in particular and cultural ideas about sexuality more generally Beyond recouping her image as feminist the book demonstrates how the kind of desire aroused by the sex goddess a desire which remains endlessly suspended works as a supreme example of the aesthetic apparatus of cinema itself Book Jacket

Eros Bruce S Thornton, 2018-02-12 *Eros The Myth of Ancient Greek Sexuality* is a controversial book that lays bare the meanings Greeks gave to sex Contrary to the romantic idealization of sex dominating our culture the Greeks saw eros as a powerful force of nature potentially dangerous and in need of control by society Eros the Destroyer not Cupid the Inispid is what fired the Greek imagination The destructiveness of eros can be seen in Greek imagery and metaphor and in their attitudes toward women and homosexuals Images of love as fire disease storms insanity and violence top 40 song click s for us locate eros among the unpredictable and deadly forces of nature The beautiful Aphrodite embodies the alluring danger of sex and femmes fatales like Pandora and Helen represent the risky charms of female sexuality And homosexuality typifies for the Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself In *Eros The Myth of Ancient Greek Sexuality* Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality And throughout it links the wary attitudes of the

Greeks to our present day concerns about love sex and family What we see finally are the origins of some of our own views as well as a vision of sexuality that is perhaps more honest and mature than our own dangerous illusions **Différences des sexes et vies sexuelles d'aujourd'hui** Institut d'études de la famille et de la sexualité.
