

BASIC MOVES

ASSESS A SITUATION

When you **assess a situation**, roll with **CREATIVITY**. On a 7–9, ask one question. On a 10+, ask two. Take +1 ongoing when acting on the answers.

- What here can I use to _____?
- Who or what is the biggest threat?
- What should I be on the lookout for?
- What's my best way out/in/through?
- Who or what is in the greatest danger?

PLEAD

When you **plead with an NPC** who cares what you think for help, support, or action, roll with **HUMILITY**. On a 7–9, they need something more—evidence that this is the right course, guidance in making the right choices, or resources to aid them—before they act; the GM tells you what they need. On a 10+, they act now and do their best until the situation changes.

HELP

When you take appropriate action to **help a companion**, mark 1-fatigue to give them a +1 to their roll (after the roll). You cannot help in a combat exchange in this way.

BALANCE MOVES

LIVE UP TO YOUR PRINCIPLE

When you **take action in accordance with the values of a principle**, mark 1-fatigue to roll with that principle instead of whatever stat you would normally roll.

CALL SOMEONE OUT

When you **openly call on someone to live up to their principle**, shift your balance away from center, then name and roll with their principle. On a hit, they are called to act as you say; they must either do it or mark a condition. On a 7–9, they challenge your view of the world in turn; mark 1-fatigue or they shift your balance as they choose. On a miss, they can demand you act in accordance with one of your principles instead; mark a condition or act as they request.

DENY A CALLOUT

When you **deny an NPC calling on you to live up to your principle**, roll with that principle. On a hit, act as they say or mark 1-fatigue. On a 10+, their words hit hard; you must also shift your balance towards the called-on principle. On a miss, you stand strong; clear a condition, clear 1-fatigue, or shift your balance, your choice.

RELY ON YOUR SKILLS & TRAINING

When you **rely on your skills and training** to overcome an obstacle, gain new insight, or perform a familiar custom, roll with **FOCUS**. On a hit, you do it. On a 7–9, you do it imperfectly—the GM tells you how your approach might lead to unexpected consequences; accept those consequences or mark 1-fatigue.

PUSH YOUR LUCK

When you **push your luck** in a risky situation, say what you want to do and roll with **PASSION**. On a hit, you do it, but it costs you to scrape by; the GM tells you what it costs you. On a 10+, your boldness pays off despite the cost; the GM tells you what other lucky opportunity falls in your lap.

INTIMIDATE

When you **intimidate an NPC** into backing off or giving in, roll with **PASSION**. On a hit, they choose one. On a 10+, first, you pick one they cannot choose.

- They run to escape or get backup.
- They back down but keep watch.
- They give in with a few stipulations.
- They attack you, but off-balance; the GM marks a condition on them.

RESIST SHIFTING YOUR BALANCE

When you **resist an NPC shifting your balance**, roll. On a hit, you maintain your current balance in spite of their words or deeds. On a 10+, choose two. On a 7–9, choose one.

- Clear a condition or mark growth by immediately acting to prove them wrong.
- Shift your balance towards the opposite principle.
- Learn what their principle is (if they have one); if you already know, take +1 forward against them.

On a miss, they know just what to say to throw you off balance. Mark a condition, and the GM shifts your balance twice.

LOSE YOUR BALANCE

If your balance shifts past the end of the track, you **lose your balance**. You obsess over that principle to a degree that's not healthy for you or anyone around you. Choose one of the following:

- Give in or submit to your opposition.
- Lose control of yourself in a destructive and harmful way.
- Take an extreme action in line with the principle, then flee.

Afterward, when you've had some time to recover and recenter yourself, shift your center one step towards the principle you exceeded and clear all your conditions and fatigue. Reset your balance to your new center.

GUIDE AND COMFORT

When you try to **honestly guide and comfort** another person, roll with **HUMILITY**. On a hit, they choose one:

- They embrace your guidance and comfort. They may clear a condition or 1-fatigue, and you may ask one question; they must answer honestly.
- They shut you down. They inflict a condition on you, and you shift their balance in response.

On a 10+, if they embrace your guidance and comfort, you may also shift their balance.

TRICK

When you **trick an NPC**, roll with **CREATIVITY**. On a hit, they fall for it and do what you want for the moment. On a 7–9, pick one. On a 10+, pick two.

- They stumble; take +1 forward to acting against them.
- They act foolishly; the GM tells you what additional opportunity they give you.
- They overcommit; they are deceived for some time.

GROWTH QUESTIONS

At the end of each session, each player answers the following questions:

- Did you learn something challenging, exciting, or complicated about the world?
- Did you stop a dangerous threat or solve a community problem?
- Did you guide a companion towards balance or end the session at your center?

Each player also answers their playbook's unique personal growth question. For each yes, mark growth. When you have marked four growth, you take a growth advancement.

CLEARING CONDITIONS

- **Afraid**: run from danger or difficulty.
- **Angry**: break something important or lash out at a friend.
- **Guilt**: make a personal sacrifice to absolve your guilt.
- **Insecure**: take foolhardy action without talking to your companions.
- **Troubled**: seek guidance from a mentor or powerful figure.

From Legend To History Answers

Katrin Zwirgmaier

From Legend To History Answers:

The Top Books of the Year From Legend To History Answers The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. From Legend To History Answers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
