## From The Dead:

**Christ's Resurrection from the Dead** Nicholas Lockyer, C. Matthew McMahon, 2023-05-05 From Acts 3:26 Unto you first God having raised up his Son Jesus sent him to bless you in turning away every one of you from his iniquities Lockyer teaches on the foundational doctrine of Christ's glorious resurrection As Lockyer states The hope of man is founded upon the resurrection of Christ from the dead Such a work of God to redeem fallen men from the justice and wrath of God one finds the resurrection of Christ bearing the confirmation of God's oath to the elect for the accomplishment of their eternal good And in this rests the infallible determination of Christ's state as the natural Son of God and so the messenger indeed of the covenant of grace More than any other miracle of the New Testament the resurrection is the foundation on which our Christian faith rests Jesus had to be raised from the dead for the cross to be effectual for his death and resurrection are both essential for redemption Our resurrected Savior is our Chief Cornerstone the Author and Finisher of our faith our triumphant King who conquered sin death hell and the grave rose from the dead and ascended into glory to the right hand of God This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions [Back from the Dead](#) Kevin J. Wetmore, Jr., 2011-07-25 Since 1968 the name of motion picture director George Romero has been synonymous with the living dead His landmark film Night of the Living Dead formed the paradigm of modern zombie cinema often cited as a metaphor for America during the Vietnam War and the Civil Rights movement the film used the tenets of the drive in horror movie genre to engage the sociophobics of late 1960s culture Subsequently Romero has created five more zombie films and other directors including Tom Savini and Zack Snyder have remade Romero's movies This survey of those remakes examines ways in which the sociocultural contexts of different time periods are reflected by changes to the narrative and the zombies of Romero's original versions **Notes from the House of the Dead** Fyodor Dostoevsky, 2013-06-11 Master translation of a neglected Russian classic into English Long before Solzhenitsyn's Gulag Archipelago came Dostoevsky's Notes from the House of the Dead a compelling account of the horrific conditions in Siberian labor camps First published in 1861 this novel based on Dostoevsky's own experience as a political prisoner is a forerunner of his famous novels Crime and Punishment and The Brothers Karamazov The characters and situations that Dostoevsky encountered in prison were so violent and extraordinary that they changed his psyche profoundly Through that experience he later said he was resurrected into a new spiritual condition one in which he would create some of the greatest novels ever written Including an illuminating introduction by James Scanlan on Dostoevsky's prison years this totally new translation by Boris Jakim captures Dostoevsky's semi autobiographical narrative at times coarse at times intensely emotional at times philosophical in rich American English [The Verity of Christ's Resurrection from the Dead](#) Thomas Cooper, 2024-01-30 Reprint of the original first published in 1875 **Did Jesus Rise From the Dead?** Gary R. Habermas, Antony Flew, Terry L. Miethe, 2003-12-04 This is the most important question regarding the claims

of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14-17 And if Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ

Memoirs from the House of the Dead Fyodor Dostoyevsky, 2001 In this almost documentary account of his own experiences of penal servitude in Serbia Dostoevsky describes the physical and mental suffering of the convicts the squalor and the degradation in relentless detail The intricate procedure whereby the men strip for the bath without removing their ten pound leg fetters is an extraordinary tour de force compared by Turgenev to passages from Dante s Inferno Terror and resignation the rampages of a psychopath the brief serene interlude of Christmas Day are evoked by Dostoevsky writing several years after his release with a strikingly uncharacteristic detachment For this reason House of the Dead is certainly the least Dostoevskian of his works yet paradoxically it ranks among his great masterpieces

**The Textual History of the Bible from the Dead Sea Scrolls to the Biblical Manuscripts of the Vienna Papyrus Collection** Ruth A. Clements, Russell Fuller, Armin Lange, Paul D. Mandel, 2023-03-20 Biblical manuscripts from the Dead Sea and the Cairo Genizah have added immeasurably to our knowledge of the textual history of the Hebrew Bible The papers collected in this volume compare the evidence of the biblical DSS with manuscripts from the Vienna Papyrus Collection connected with the Cairo Genizah as well as late ancient evidence from diverse contexts The resulting picture is one of a dialectic between textual plurality and fixity the eventual dominance of the consonantal Masoretic Text

over the textual plurality of the Second Temple period and the secondary diversification of that standardized text through scribal activity     Scrolls from the Wilderness of the Dead Sea Smithsonian Institution,1965     **The Clarionet, the Dead Boxer, and Barney Branagan. Invasion of the Dead Brian K. Blount,2014-01-24 Our world and our churches are neither sinful nor lost they are dead This dead world is the one that God engages and into which Jesus invaded with a radically different vision of life In this groundbreaking work based on his 211 Yale Beecher lectures Brian K Blount helps preachers effectively proclaim resurrection in a world consumed by death Recognizing that both popular culture and popular Christianity are mesmerized by death and dying Blount offers an alternative apocalyptic vision for our time one that starts with a clear vision of life that obliterates death and reveals life s essence Blount explores the portrait and meaning of resurrection through the New Testament the Book of Revelation the letters of Paul and the Gospel of Mark and explores how to biblically and theologically reconfigure apocalyptic preaching for today With three illustrative sermons this book is an ideal resource to help preachers proclaim the power of resurrection     A Debate on the State of the Dead Between Rev. beginning of the nineteenth century until the Russian Revolution the tsars exiled more than a million prisoners and their families east Here Daniel Beer illuminates both the brutal realities of this inhuman system and the tragic and inspiring fates of those who endured it Siberia was intended to serve not only as a dumping ground for criminals and political dissidents but also as new settlements The system failed on both fronts it peopled Siberia with an army of destitute and desperate vagabonds who visited a plague of crime on the indigenous population and transformed the region into a virtual laboratory of revolution A masterly and original work of nonfiction The House of the Dead is the history of a failed social experiment and an examination of Siberia s decisive influence on the political forces of the modern world **The Dead of Summer (Book**
