The Presbyterian Record ,1917 **The Bookman** ,1900 **Stories of Comfort for a Healthy Soul** Christine Anderson,2001 These real life stories from well known Christian authors exemplify God s power and presence in everyday life

The Truth Seeker ,1918 **Canadian Churchman** ,1958 **The Freethinker** ,1900 **The Morning Star and Free Baptist** ,1903 **Michigan Christian Advocate** ,1897 **The Churchman** ,1904 **The Living Church** ,1904

Sunday School Times ,1882 **The Church Times** ,1901 **National Message and Banner** ,1954 *Advance* ,1935 *The Beacon* ,1885 *The Road To the Cross of Jesus* Deacon Greg Waybright,2023-11-11 This book documents my long and sometimes difficult journey of faith and service It is a journey of my service to God his Church here on earth and to the body of Christ which includes us all My hope is that in some small way it inspires others to never give up on their hopes and dreams no matter what difficulties they may encounter God will oversee your journey and will be at you side every step of the way For as the Lord told us The harvest is plentiful but the workers are few It s a journey of faith you will never regret As an ordained Deacon of the Catholic Church I wrote this book in the hope that my perseverance through adversity will inspire others to never doubt their faith and always know God is in charge and has a plan for their lives despite any disabilities that you may have

Why I Still Believe Mary Jo Sharp,2019-11-05 For anyone who feels caught in the tension between the beauty of God s story and the ugliness of human hypocrisy *Why I Still Believe* offers a stirring story of hope Why would anyone be a Christian when there is so much hypocrisy in the church Mary Jo Sharp shares her journey as a skeptical believer who still holds to a beautiful faith despite wounding experiences in the Christian community At a time when de conversion stories have become all too common this is an earnest response the compelling conversion of an unlikely believer whose questions ultimately led her to irresistible hope Sharp addresses her own struggle with the reality that God s people repeatedly give God s story a bad name and takes a careful look at how the current church often inadvertently produces atheists despite its life giving message For those who feel the ever present tension between the beauty of salvation and the dark side of human nature *Why I Still Believe* is a candid and approachable case for believing in God when you really want to walk away With fresh and thoughtful insights this spiritual narrative presents relevant answers to haunting questions like Isn t there too much pain and suffering to believe Is it okay to have doubt What if Jesus story is a copy of another story Is there any evidence for Jesus resurrection Does atheism explain the human experience better than Christianity can How can the truth of Christianity matter when the behaviors of Christians are reprehensible At once logical and loving Sharp reframes the gospel as it truly is the good news of redemption With firmly grounded truths *Why I Still Believe* is an affirming reminder that the hypocrisy of Christians can never negate the transforming grace and truth of Christ

Dying to Live Ian Murphy,2020-04-30 When high school valedictorian Ian Murphy was writing his graduation address a teacher told him that he could not mention Jesus in his speech She even threatened to pull the plug on the microphone if he tried to do so Murphy

s defiance in the name of his constitutional rights made national news and his zeal to spread the Gospel no matter the cost became the defining passion of his life Murphy s public battle for his freedom of speech is where this conversion story begins but then it retraces the other important experiences of his youth He describes his free spirited Christian parents his early doubts the influence of faith filled relatives and friends and the spiritual encounter that made him a believer At a young age Murphy went from strength to strength as he sought after truth grew in prayer and shared his faith with others But his doubts resurfaced when his friend and mentor the leader of a Protestant college group was murdered After his trust in God was restored Murphy became a Baptist minister in the Bible Belt and from there his spiritual journey led him into the Catholic Church The unexpected twists and turns in Murphy s extraordinary story show that when a man gives his life to Christ the Lord never lets him go

The Deacon Thomas Fagnoli,2024-04-26 We often end up living an unexpected life Yet through it glimmers of hope faith love and peace find their way through After being married for forty years and serving the Catholic Church as a deacon for the last five years leaving the diaconate was the last thing on my mind Life was good wife home children grandchildren health retirement and an amazing ministry Never did I expect to be a suicide survivor Grieving the loss of my wife was difficult enough but with suicide the grieving process was much more intense Being a deacon in the Catholic Church intensified that process even more The Catholic Church made it clear I could not stay a deacon and pursue another loving relationship that could lead to marriage I was aware of the rule but after two years of discernment I couldn t seem to make a decision This battle put me into the hospital for open heart surgery Finally with God s help I made my decision Rick a local reporter wanted to interview me with regard to my diaconate experience and how I came to that decision Rick turned out to be more than a reporter This is my story Through it I hope glimmers of hope faith love and peace find their way through your clouds as well Proceeds go to Suicide Awareness

Finding God John M. Mulder,Hugh Thomson Kerr,2012-08-13 The search for God is a staple of human history Finding God records sixty first person accounts of Christians who found God in different ways and the impact this discovery made on their lives and on the world in which they lived Ranging from the first century to the present Finding God is a fascinating digest of conversion stories from a wide variety of people from the apostle Paul to the rock musician Bono These narratives together demonstrate the remarkable diversity of spiritual journeys and the dramatic changes that can result from encounters with God Both instructive and inspirational Finding God will expand horizons and deepen the faith of those who seek insight into the age old spiritual quest to find God
