Excerpt What he was telling me seemed to be important but I kept getting distracted by the man sitting nearest to me on the right side of the table He had a short beard and a lean well muscled body He had laid his jacket across the back of his chair and was wearing just a thin tank top that rippled with his muscles when he shifted He was one of the ones with pure lust in his eyes and those eyes hadn't left my ass since I walked in the room He seemed to want to do something and I kind of wanted him to do it whatever it was The way he was looking at me sent little shivers right up and down my needy body What do you mean I asked now staring openly at the man to my right He looked up and gave me a wink and I giggled a little nervously It's a drug that makes men look and feel like you're looking and feeling right now Horny I asked before I could think to stop myself He laughed Exactly sweet thing Exactly But don't you worry we've got a good idea what to do about it Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author [From Man-Beast to Babe: Waking Up a Woman \(A Gender Swap Erotica\)](#) Sage Reamen, 2013-11-17 When aspiring MMA fighter Devin is slipped a strange experimental Russian drug by his arch rival the scheming and amoral Cain he is shocked to discover his body has transformed into that of a beautiful young woman With his professional fighting career suddenly put on hold Devin conspires to get back at Cain in the only way he can think to by giving him a taste of his own medicine But first Devin must get close enough to do the deed and if that means embracing the full breadth of his womanhood and seducing his hated rival well Devin's never been one to pull punches But will the stirrings of Devin's new wildly raging hormones prove too much for her new body to handle And will she fall victim to the darkly handsome Cain's charms once and for all This story contains erotic gender bending first time encounters as a woman masturbation exploration and an unpredictable drug that turns men into horny beautiful women Excerpt I backed away from his kiss in surprise but it only seemed to turn him on more He slid his hand on to my leg my bare inner thigh I wanted to feel disgusted that he had his hands on me to lash out at this arrogant jerk who dared to touch me but the truth was that the touch of his fingers was met by a wave of pleasure that coursed unexpectedly through my veins A simple touch had never felt so good before It was like his fingers were electric I let him slide further up my leg savoring the delightful friction as his breath became hot against my neck It wasn't until I felt his hand brush against the edges of my thong that I snapped out of it This was going too far I remembered who this man was The guy may have ruined my chance of turning my dream into a reality and I was just going to melt under his touch What are you doing he asked You know you want me Don't you want to know what it's like to roll with a professional I was horrified to admit that part of me agreed with him I wanted to feel him wrapped around me holding me down with those arms of his just to see what it would be like of course And it was hard to feel disgusted at myself for thinking that Something about it just seemed natural almost necessary But then I snapped to my senses pushing my way through the blurry liquor and sex fueled buzz If it didn't transform him tonight I might not get another chance I'm not that kind of girl I insisted but my voice sounded unsure
