

ProBook 4430s, 4530s, and 4730s Notebook PCs Business Partner

HP's s-series business notebooks combine a great ID and metal finish with a wide breadth of security solutions, advanced multimedia features, Intel® technology, and three display size options.

HP recommends Windows® 7.

Durable metal design and options

Ideal for small- and medium-size businesses, the HP ProBook s-series balances functionality with style and affordability. Durability starts with high-strength precision-formed aluminum that is deeply anodized to create a rich, smudge- and wear-resistant HP DuraFinish in a stylish metallic silver. And you can choose between easy-to-view 14.0- or 15.6-inch diagonal HD¹ or 17.3-inch diagonal HD+¹ displays for the configuration that best suits your needs.

Complete set of security features

From preboot BIOS authentication to password management with HP Credential Manager and drive encryption, HP provides a complete security tool to support users' needs. HP ProtectTools² is easy to use, robust, and can be centrally managed. Plus, the optional HP Fingerprint Sensor³ and HP Face Recognition⁴ make it easy to log in to your PC.

Powerful connections

Stretch battery life when you need it and get great graphics performance when you want it with AMD Dynamic Switchable Graphics technology that adapts to your needs—seamlessly.⁵

Advanced multimedia support

The notebook comes loaded with the new ArcSoft TotalMedia Suite that allows you to play, edit, and create video and audio files. Experience life in high-definition¹ with the HDMI port that allows you to connect directly to high-definition displays.^{1,3,6} SRS Premium Sound seamlessly reduces background noise during web casting⁷ with the optional HD Webcam^{1,3,7} and dramatically improves the sound coming from your speakers or headphones.

Incredible performance

The new Intel architecture features 2nd generation Intel® Core™ i7,⁸ i5,⁸ and i3⁸ dual- and quad-core processors and Intel® Celeron processors. Whether you're creating or consuming content, you gain the power to quickly edit, transfer, and share content without being tied down to a desk.

Built to simplify

With HP QuickWeb⁹ you can tap into fast, convenient, and more secure access to the Internet, email, contacts, and calendar at the touch of a button without long boot-up times. HP QuickWeb also delivers strong security for business needs via mail encryption and enhances user authentication with support for passwords and biometrics.
