

Julius Caesar
by William Shakespeare
Close Reading Study Guide

Note: Many of these questions are best addressed from a perspective you obtain only by thinking an entire act or at least several scenes. So read well ahead before you begin answering these questions! You will be best prepared if you are a full act or two ahead in your reading. As you read, constantly formulate questions of your own regarding the events, characters, conflicts, and places. You don't need to answer every question you pose, but you must get accustomed to focusing your attention on the details of your reading. Developing those questions is one of the best ways to begin doing so.

AS 11 (to be read, "Act III, Scene 1")

1. These men greet Caesar. Each has a request or message. One of these "mits" has been written by Artemidorus. The Soothsayer has another; he warns a moment with Caesar to "beware him who betrays himself." We know of his intent from the previous scene. Who has written a third mit?
2. Artemidorus says his mit "touches Caesar nearer." His meaning is that the topic of the message is of personal interest to Caesar. What does Caesar intend to do with the message?
3. Speculate as to why Caesar publicly deals with Artemidorus's message in this manner.
4. Caesar asks if "the fellow" is mad. Speculate as to who "the fellow" is.
5. Two of those accompanying Caesar attempt to dissuade the suitors. They only do so after Caesar calls attention to them. What question does he ask in calling attention to them?
6. Cassius is one of the two who would the suitor or suitors. Who is the other?
7. How does Popilius strike fear into Cassius?
8. What occurs to confirm that Cassius is indeed fearful?
9. What does Cassius fear?
10. Speculate as to what "enterprise" (meaning: "planned action") Popilius might be referring, other than the assassination.
11. Brutus advises Cassius to watch closely what transpires as Popilius speaks with Caesar. Nothing disturbs their plans to proceed. Read very carefully between this passage and the striking down of Caesar by the conspirators. Cass clearly has a special role in the assassination. What is Cass's role?
12. What part has been planned for Trebonius in the plot?
13. What part does Metellus Cimber play in the plot?
14. Who, according to Caesar, has been banished?
15. Caesar actually commits a violent act against Metellus. In his own words, he treats him "like a cat" - or dog. What does Caesar do to Metellus?
16. Explain very briefly (eight words or less) what the conspirators have planned to do in order to check Caesar into distraction.
17. It appears that Brutus has a very special role. He provides the signal, and a final distraction to Caesar, which initiates the actual killing. How does Brutus signal the moment when the killing is to occur?
18. Just before that moment, Caesar makes some claims about his character. At one point he says, "I am constant as the Northern Star," meaning, he is unwavering in his judgment and commitments to act. Name one event to show that this claim is a lie.
