Equality in Asia-Pacific Phil C. W. Chan,2014-02-04 In 1948 the United Nations General Assembly proclaimed the Universal Declaration of Human Rights stating every human being s right of equality in dignity and right However notwithstanding recognition by the international community of its importance and codification in numerous national and sub national constitutions and legislation reinforced by various multilateral and regional human rights treaties the right of equality continues to be unable to take complete firm hold in all regions and countries Evidence as presented by the insightful papers in this collection published initially as a Special Double Issue of The International Journal of Human Rights dedicated to exploring the place of equality in Asia Pacific societies suggests that although progress is being made the right of equality has not yet fully materialized both in law and in reality in the world s most populous region Many factors particularly entrenched cultural heritage and practices the lingering effects of colonialism and newly found independence and above all pervasive ignorance and prejudices continue to impede the recognition development and protection of equality in this region Of course equality a normative right and entitlement by virtue of our humanity has neither been fully achieved in societies outside the region Such neo colonial thinking in fact perpetuates and assists in the subjugation of the right of equality in the Asia Pacific Region as a matter of relevance and concern only to Western countries Accordingly we hope that our discussions will also be able to shed light and generate reflections on realities outside the region as interlinked with our aim The Editor s book fee has been donated to the UNICEF Tsunami Fund This book was previously published as a special issue of The International Journal of Human Rights

The Law and Politics of the Kosovo Advisory Opinion Marko Milanovic, Michael Wood, 2015-03-19 This volume is an edited collection of essays on various aspects of the 2010 Kosovo Advisory Opinion of the International Court of Justice The main theme of the book is the interplay between law and politics regarding Kosovo s independence generally and the advisory opinion specifically How and why did the Court become the battleground in which Kosovo s independence was to be fought out or not How and why did political arguments in favour of Kosovo s independence e g that Kosovo was a unique sui generis case which set no precedent for other secessionist territories change in the formal legal setting of advisory proceedings before the Court How and why did states supporting either Kosovo or Serbia choose to frame their arguments How did the Court perceive them What did the Court want to achieve and did it succeed in doing so And how was the opinion received and what broader implications did it have so far These are the questions that the book hopes to shed some light on To do so the editors assembled a stellar cast of contributors many of whom acted as counsel or advisors in the case as well a number of eminent scholars of politics and international relations whose pieces further enrich the book and give it an interdisciplinary angle The book thus tells the story of the case places it within its broader political context and so attempts to advance our understanding of how such cases are initiated litigated and decided and what broader purposes they may or may not serve

Sitting in Judgment Penny Darbyshire, 2011-09-30 The public image of judges has been stuck in a time warp they are invariably depicted in the media and derided in public bars up and down the country as privately educated Oxbridge types usually out of touch and more often than not as old men These and other stereotypes the judge as a pervert the judge as a right wing monster have dogged the judiciary long since any of them ceased to have any basis in fact Indeed the limited research that was permitted in the 1960s and 1970s tended to reinforce several of these stereotypes Moreover occasional high profile incidents in the courts elaborated with the help of satirists such as Private Eye and Monty Python have ensured that the old white Tory judge caricature not only survives but has come to be viewed as incontestable Since the late 1980s the judiciary has changed largely as a result of the introduction of training and new and more transparent methods of recruitment and appointment But how much has it changed and what are the courts like after decades of judicial reform Given unprecedented access to the whole range of courts from magistrates courts to the Supreme Court Penny Darbyshire spent seven years researching the

judges accompanying them in their daily work listening to their conversations observing their handling of cases and the people who come before them and asking them frank and searching questions about their lives careers and ambitions What emerges is without doubt the most revealing and compelling picture of the modern judiciary in England and Wales ever seen From it we learn that not only do the old stereotypes not hold but that modern baby boomer judges are more representative of the people they serve and that the reforms are working But this new book also gives an unvarnished glimpse of the modern courtroom which shows a legal system under stress lacking resources but facing an ever increasing caseload This book will be essential reading for anyone wishing to know about the experience of modern judging the education training and professional lives of judges and the current state of the courts and judiciary in England and Wales Score Plus CBSE Question Bank and Sample Question Paper with Model Test Papers in Political Science (Subject Code 028) CBSE Term II Exam 2021-22 for Class XII Dr Philip Varghese, Priyanka Sharma, Dr Shushma Kumari, Gaurav Upadhyay, Mamta Thakur, Dr Sarish Sebastian, Shilpy Shanker, Preeti Sharma, Anna Naqvi, Ritu Kadian, 2022-01-01 Score Plus CBSE Question Bank and Sample Question Paper with Model Test Papers in Political Science Subject Code 028 CBSE Term II Exam 2021 22 for Class XII As per the latest CBSE Reduced Syllabus Design of the Question Paper and the latest CBSE sample Question Paper for the Board Examination to be held in 2021 The latest CBSE Sample Question Paper 2020 21 Solved along with the marking scheme released by the CBSE in October 2020 for the Board Examinations to be held in 2021 10 Sample Papers Solved based on the latest Reduced Syllabus Design of the Question paper and the latest CBSE Sample Question Paper for the Board Examinations to be held in 2021 10 Model Test Papers Unsolved based on the latest Reduced Syllabus Design of the Question paper and the latest CBSE Sample Question Paper for the Board Examinations to be held in 2021 English Solved Papers (2023-24 UGC NTA NET/SLET/JRF) YCT Expert Team , 2023 24 UGC NTA NET SLET JRF English Solved Papers
