California Dreaming (The Davenports, Book 1) Bella Andre, Nicky Arden, 2024-02-01

Meet the Davenport family: Six brothers and sisters who call picturesque Carmel by the Sea home. Successful, brilliant, and passionate, the only thing they all still need is the perfect partner in love and life. Love this new series, and Carmel by the Sea is the perfect backdrop for these books. Arch and Tessa hit all the feels. I highly recommend 5 stars. Hotshot movie star Archer Davenport has never met a stunt he couldn't ace, a challenge he couldn't overcome, or a woman he couldn't have. When he breaks his leg during a dangerous stunt, the production company insists on hiring a live-in caretaker for him. He refuses the help until he meets Tessa Taylor. She's not only caring and beautiful, she's also as tough on him as a drill sergeant. Tessa knows all about confident men. She used to be married to one, and that didn't go well. Her only solace is her painting, even if she has no talent, as her late husband always claimed. Her biggest problem on this job, however, is that sexy, magnetic Archer makes her toes curl with desire every time he's near. She does everything she can to try to remain professional. But it gets harder and harder every day as she starts to fall for him and for his amazing family, even though she knows she'll have to leave him for her next client as soon as he's fully recovered. Arch, however, has no plans to let Tessa disappear once his leg is fully recovered. In fact, as the sparks between them grow hotter and hotter, he's determined to show Tessa that she's not only the most incredible and loving woman he's ever known, she's also the most talented. And when a Davenport gives their heart away, it's forever.

down Rafe Sullivan believes true lasting love only happens once in a blue moon. Needing to get away from the city to clear his head, he finds the lake house where he spent the best summers of his life is now a wreck, but the sweet girl next door is all grown up and prettier than anything he's ever seen. While Brooke Jansen is happy making and selling chocolate truffles in her small Pacific Northwest lake town, she secretly longs to experience something wild. So when her favorite Wild Sullivan moves in again next door after more than a decade away and sparks fly between them, she can't stop wondering if being bad is really as good as it always seemed and just how long it will be before she can find out. But when their summer fling quickly spirals into deeper emotions than either of them were expecting, can they survive the heat between them? Or will Rafe make the biggest mistake of his life and end up losing the best thing that's ever happened to him?

THE WAY YOU LOOK TONIGHT is part of Bella Andre's USA Today and New York Times #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. Some love stories are just so special. *The Way You Look Tonight* is one of the very best I absolutely loved this stunning story and highly recommend it. A wonderful sizzling tale of love, Bella Andre has done it again. Bella Andre knows love, every nuance, feel, spice, and ingredient that makes up that illusive emotion. And she describes the physical, passionate part of it with reckless abandon and heart-clashing adoration and thunder. Another amazing book by Bella Andre. *The Way You Look Tonight* is a beautiful love story that checks all the boxes for the true romantic. This story was everything a romance novel should be. It was awesome. Well-written storyline with believable characters that you can enjoy and root for. *The Way You Look Tonight* restored my liking of romance novels again. Highly recommend it. I love Bella Andre's Sullivans. I have read them all multiple times and I can't say enough how happy I am that there is a whole new branch of stories. If you love romance as much I do, you'll love this book.
