Knights of the Art Stories of the Italian Painters is a classic Italian art history text by Amy Steedman In telling these stories I have been helped by an old book called The Lives of the Painters by Giorgio Vasari who was himself a painter He took great delight in gathering together all the stories about these artists and writing them down with loving care so that he shows us real living men and not merely great names by which the famous pictures are known **Knights of Art**

Steedman,2016-07-05 This new edition of *Knights of Art* by Amy Steedman has been fully updated to modernize the language for today s young readers without sacrificing the charm of the stories In addition over 50 full color reproductions have been added to enhance readers appreciation of each artist s work *Knights of art* includes a story from the childhoods of eighteen Renaissance painters accompanied by over 60 full color reproductions of their paintings **Knights of Art** Steedman

Amy,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Knights of Art* Amy Steedman,2015-10-31 Nearly a hundred years had passed by since Giotto lived and worked in Florence and in the same hilly country where he used to tend his sheep another great painter was born Many other artists had come and gone and had added their golden links of beauty to the chain of Art which bound these years together Some day you will learn to know all their names and what they did But now we will only single out here and there a few of those names which are perhaps greater than the rest Just as on a clear night when we look up into the starlit sky it would bewilder us to try and remember all the stars so we learn first to know those that are most easily recognised the Plough or the Great Bear as they shine with a clear steady light against the background of a thousand lesser stars The name by which this second great painter is known is Fra Angelico but that was only the name he earned in later years His baby name was Guido and his home was in a village close to where Giotto was born He was not a poor boy and did not need to work in the fields or tend the sheep on the hillside Indeed he might have soon become rich and famous for his wonderful talent for painting would have quickly brought him honours and wealth if he had gone out into the world But instead of this when he was a young man of twenty he made up his mind to enter the convent at Fiesole and to become a monk of the Order of Saint Dominic Every brother or frate as he is called who leaves the world and enters the life of the convent is given a new name and his old name is never used again So young Guido was called Fra Giovanni or Brother John But it is not by that name that he is known best but that of Fra Angelico or the angelic brother a name which was given him afterwards because

of his pure and beautiful life and the heavenly pictures which he painted With all his great gifts in his hands with all the years of youth and pleasure stretching out green and fair before him he said good bye to earthly joys and chose rather to serve his Master Christ in the way he thought was right **Knights of Art** Amy Steedman,2017-12-20 Excerpt from *Knights of Art* Stories of the Italian Painters Afterwards when Christ had come and the people had learned that the pictured gods were not real they began to think it wicked to make beautiful pictures or carve marble statues The few pictures that were made were stiff and ugly the figures were not like real men and women the animals and trees were very strange looking things And instead of making the sky blue as it really was they made it a chequered pattern of gold After a time it seemed as if the art of making pictures was going to die out altogether About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Knights of Art* Amy Steedman,2015-11-13 Description Notice This Book is published by Historical Books Limited www.publicdomain.org.uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain.org.uk *Knights of the Art; stories of the Italian painters* Amy Steedman,2006 **Knights & Castles** Alex Martin,2005 Reveals details about the lives of medieval knights with the use of artwork from such artists as Jean Fouquet Pieter Bruegel the Younger and Paolo Uccello *Knights in Shining Armor* Ida Sinkević,2006 A lavish exploration of the culture symbolism and craftsmanship of Arms and Armor at a time when their artistic and ornamental importance in fine art as much as in the armor work itself was superceding battlefield use

Knights Bonnie Hardison,2014-04-03 Knights are frequently thought of in fairy tales or legends Often we think of them doing great impressive and heroic deeds But do we think of them when we think of great art This is a picture book for all ages of knights in art **Memorials of the Order of the Garter, from Its Foundation to the Present Time Etc**
