Lunch in a Flash Amy Clark,2014-11-30 One of the reasons we love to spend our money on greasy fast food is because of how quickly we can get it We don t have to spend a lot of time preparing food when we can swing by a drive through and immediately have an entire meal brought out for us Unfortunately when done too often constantly purchasing fast food can take a big chunk out of our pockets and our health Lunch in a Flash is the perfect alternative to buying your lunch every day It offers a way to save your wallet your health and your taste buds because the same lunch menu everyday does get a bit repetitive The book offers a wide variety of ways to create your own healthy lunch so you ll be able to look forward to trying out your new lunch whether you re at home or stuck in the office Of course our schedules change from day to day One day you may have plenty of time to sit down and create a large lunch that you can pack away from the next few days Other times you ll barely be able to gather enough time to scrape out a meager quick lunch or sandwich That s why the book offers lunch ideas with a variety of preparation times so you ll be able to make a great tasting lunch for yourself or others no matter how long you have
