Entrepreneurship Owning Your Future Workbook Answers:

Own Your Future Paul Brown, Charles Kiefer, Leonard Schlesinger, 2014-06-12 This insightful and helpful resource gives you the tools tips and techniques you need to succeed no matter what comes your way Not everyone has the means and resources to become a successful entrepreneur So does that mean everyone else must hinge their success on the hopes that they survive the next set of layoffs and that their chosen field doesn't become the next dying industry Not at all The successful methods that the leading entrepreneurs used to find their niche in today's marketplace can be applied by all in their pursuit of a long lasting rewarding career Own Your Future shows you how to take the same small steps forward they use to reinvent the way you maneuver in an unpredictable job market You will discover how to Act Thinking alone will never change your life you must take that first step Learn What lessons did you learn from that first step Build Take what you learned and apply it to improve upon that first step Repeat Continue this process until you have achieved your goal Too often people picture their perfect career and then think through all the steps backward to plan out their path to career success There is very little assurance that your chosen job perhaps even the industry itself will even be there by the time you maneuver through the long path of continuing education and promotions Don't rest your success on the mercy of an ever changing marketplace Filled with stories of professionals of all kinds who have profited from this proactive approach Own Your Future will teach you how to take control
