\*Rechargeable battery can be bartered to Skier (12) for Adler (12) or 234.

This is a Value-Per-Slot (VPS) chart. Items in the "High" tier such as the tank battery may be worth more than some in the "OP" tier, but take up significantly more space in your bag. This is useful when deciding which items in your bag you want to drop for others.

All prices are based off of TarkovMarket and are subject to change. I use this chart as a general guideline. Bartering is not taken into consideration for most items.

Gun attachments and meds are not included.

Anything not on the list is most likely <5k VPS and not included.
