Essay upon Wit Richard Sir Blackmore, 2022-09-16 DigiCat Publishing presents to you this special edition of *Essay upon Wit* by Richard Sir Blackmore DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

Essays on Wit No. 2 Richard Flecknoe, Joseph Warton, 2023-08-19 *Essays on Wit No 2* is a profound collection that delves into the diverse expressions of wit across various literary contexts From satirical maneuvers and clever parody to incisive social commentary this anthology offers a panoramic view of wit as both an art form and a lens through which human experiences are illuminated By juxtaposing traditional and modernist elements the collection showcases the transformative power of humor and intellect in literature highlighting standout pieces that captivate with their poignant yet entertaining narratives Contributors like Richard Flecknoe and Joseph Warton luminaries in their own right infuse the anthology with intellectual vigor and historical depth Drawing on their profound understanding of literary traditions and innovations these authors contribute works that resonate with the wit of eras past while pushing the boundaries of what wit means in contemporary discourse Aligned with movements such as the Augustan age and the Enlightenment the anthology serves as a testament to the enduring relevance and adaptability of wit in exploring cultural and literary landscapes This collection is a must read for those who wish to explore the multifaceted nature of wit in literature By venturing into these essays readers are invited to embrace an elaborate tapestry of perspectives that not only entertain but also provoke critical thought and discussion *Essays on Wit No 2* bridges historical and cultural divides offering a unique educational opportunity to appreciate the evolution of wit and its role in shaping literary dialogues across time

An Essay upon Wit. [A facsimile reprint of pp. 186-235 of the 1716 edition of "Essays upon several Subjects."] Sir Richard Blackmore, 1946

Essay Upon Wit Richard Sir Blackmore (1654?-1729; Boys, Richard Charles, 1912-; Addison, Joseph), 2004

Essay Upon Wit Richard Blackmore, 2014-12-18 Ingredients are rejected as the heavy and insipid Performances of Men of a plain Understanding and meer Masters of Sense Since the Power of Wit is so prevalent and has obtained such Esteem and Popularity that a Man endow d with this agreeable Quality is by many look d on as a Heavenly Being if compar d with others who have nothing but Learning and a clear arguing Head it will be worth the while to search into its Nature and examine its Usefulness and take a View of those fatal Effects which it produces when it happens to be misapply d Tho perhaps the Talent which we call Wit like that of Humour is as clearly understood by its simple Term as by the most labour d Description an Argument or which is this That many ingenious Persons by their unsuccessful Essays to explain it have rather obscur d than illustrated its Idea I will notwithstanding adventure

Essay Upon Wit Joseph Addison, 2017-06-09 AN ESSAY UPON WIT The Inclinations of Men in this their degenerate State carry them with great Force to those voluptuous Objects that please their Appetites and gratify

their Senses and which not only by their early Acquaintance and Familiarity but as they are adapted to the prevailing Instincts of Nature are more esteem d and pursu d than all other Satisfactions As those inferior Enjoyments that only affect the Organs of the Body are chiefly coveted so next to these that light and facetious Qualification of the Mind that diverts the Hearers and is proper to produce Mirth and Alacrity has in all Ages by the greatest Part of Mankind been admir d and applauded No Productions of Human Understanding are receiv d with such a general Pleasure and Approbation as those that abound with Wit and Humour on which the People set a greater Value than on the wisest and most instructive Discourses Hence a pleasant Man is always caress d above a wise one and Ridicule and Satyr that entertain the Laughers often put solid Reason and useful Science out of Countenance The wanton Temper of the Nation has been gratify d so long with the high Seasonings of Wit and Raillery in Writing and Conversation that now almost all Things that are not accommodated to their Relish by a strong Infusion of those Ingredients are rejected as the heavy and insipid Performances of Men of a plain Understanding and meer Masters of Sense Since the Power of Wit is so prevalent and has obtained such Esteem and Popularity that a Man endow d with this agreeable Quality is by many look d on as a Heavenly Being if compar d with others who have nothing but Learning and a clear arguing Head it will be worth the while to search into its Nature and examine its Usefulness and take a View of those fatal Effects which it produces when it happens to be misapply d Tho perhaps the Talent which we call Wit like that of Humour is as clearly understood by its simple Term as by the most labour d Description an Argument or which is this That many ingenious Persons by their unsuccessful Essays to explain it have rather obscur d than illustrated its Idea I will notwithstanding adventure to give the Definition of it which tho it may fall short of Perfection yet I imagine will come nearer to it than any that has yet appear d Wit is a Qualification of the Mind that raises and enlivens cold Sentiments and plain Propositions by giving them an elegant and surprizing Turn It is evident that Wit cannot essentially consist in the Justness and Propriety of the Thoughts that is the Conformity of our Conceptions to the Objects we conceive for this is the Definition of Truth when taken in a Physical Sense nor in the Purity of Words and Expression for this may be eminent in the Cold Didactick Stile and in the correct Writers of History and Philosophy But Wit is that which imparts Spirit to our Conceptions and Diction by giving them a lively and novel and therefore an agreeable Form And thus its Nature is limited and diversify d from all other intellectual Endowments

Essay Upon Wit (1716) ... Richard Blackmore,1967

Essay Upon Wit Sir Richard Blackmore,2004 **The Gamester (1753)** Edward Moore,2022-11-22 The Gamester 1753 is an 18th century play by an English dramatist and writer Edward Moore His Gamester is a domestic drama highlighting how the problem of gambling can ruin family life It tells of the Beverley family in which the husband is a weak easily manipulated simple man who feels guilty about his ruining habit but does nothing to alter it The wife is a typical woman allowing this all to happen The scenes are full of suspense and drama which makes the play an interesting read Notably The Gamester was the first play in the English drama depicting regular people rather than exalted subjects taken from history

and mythology *The Princeton Handbook of Poetic Terms* Alex Preminger, O. B. Hardison Jr., Frank J. Warnke, 2014-07-14 This compact volume makes available a selection of 402 entries from the widely praised Princeton Encyclopedia of Poetry and Poetics with emphasis on prosodic and poetic terms likely to be encountered in many different areas of literary study The book includes detailed discussions of poetic forms prosody rhetoric genre and topics such as theories of poetry and the relationship of linguistics to poetry Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Wit of Seventeenth-century Poetry** Claude J. Summers, Ted-Larry Pebworth, 1995 As the twelve original essays collected in this volume demonstrate to study the wit of seventeenth century poetry is necessarily to address concerns at the very heart of the period's shifting literary culture It is a topic that raises persistent questions of thematics and authorial intent even as it interrogates a wide spectrum of cultural practices These essays by some of the most renowned scholars in seventeenth century studies illuminate important authors and engage issues of politics and religion of secular and sacred love of literary theory and poetic technique of gender relations and historical consciousness of literary history and social change as well as larger concerns of literary production and smaller ones of local effects Collectively they illustrate the vitality of the topic both in its own right and as a means of understanding the complexity and range of seventeenth century English poetry **Essay on Criticism** Alexander Pope, 2014-07-24 Originally published in 1696 this book contains the text of Alexander Pope's poetic essay on criticism **The Theater (1720)** John Sir Falstaffe, 2019-12-19 In *The Theater 1720* John Sir Falstaffe weaves a complex narrative that deftly combines elements of satire drama and social commentary Set against the backdrop of early 18th century England the work explores the evolving nature of theatrical performance and its influence on society Falstaffe's literary style is marked by sharp wit and rich descriptive language inviting readers into a world where the boundaries between reality and performance blur The book reflects the burgeoning interest in the aesthetics of theater during a time when it was both celebrated and critiqued capturing the cultural tensions of an era on the brink of modernization John Sir Falstaffe a notable figure in the early modern literary scene was profoundly influenced by the vibrant theatrical landscape of his time His background as both a playwright and an avid spectator of the arts informed his perspectives allowing him to critique and celebrate the theatrical form Falstaffe's experiences in the London theater district provided him with unique insights into the complexities of performance societal expectations and the moral dilemmas faced by artists and audiences alike This book is a compelling choice for readers interested in the intersection of literature and theater *The Theater* not only offers an engaging narrative but also serves as a critical reflection on the cultural significance of performance art For

scholars of drama and casual readers alike Falstaffe's work is an invaluable exploration of how theater mirrors the human experience *Critical Essays of the Eighteenth Century, 1700-1725* Willard Higley Durham, 1915 [A Dictionary of Modern Critical Terms](#) Roger Fowler, 2016-09-19 This book first published in 1987 differs from many other dictionaries of criticism in concentrating less on time honoured rhetorical terms and more on conceptually flexible powerful terms Each entry consists of not simply a dictionary definition but an essay exploring the history and full significance of the term and its possibilities in critical discourse This title is an ideal basic reference text for literature students of all levels **Reading Fictions, 1660-1740** Kate Loveman, 2016-12-05 English society in the late seventeenth and early eighteenth centuries was fascinated by deception and concerns about deceptive narratives had a profound effect on reading practices Kate Loveman's interdisciplinary study explores the ways in which reading habits first developed to deal with suspect political and religious texts were applied to a range of genres and as authors responded to readers critiques shaped genres Examining responses to authors such as Defoe Swift Richardson and Fielding Loveman investigates reading as a sociable activity She uncovers a lost critical discourse centred on strategies of shamming which involved readers in public displays of reason wit and ironic pretence as they discussed the credibility of oral and written narratives Widely understood by early modern readers and authors the codes of this rhetoric have now been forgotten to the detriment of our perception of the period's literature and politics Loveman's lively book offers a striking new approach to Restoration and eighteenth century literary culture and in particular to understanding the development of the novel **The New Monthly Magazine**, 1857 *The New Monthly Magazine and Universal Register*, 1857 **New Monthly Magazine, and Universal Register** Thomas Campbell, Samuel Carter Hall, Edward Bulwer Lytton Baron Lytton, Theodore Edward Hook, Thomas Hood, William Harrison Ainsworth, William Ainsworth, 1857 [Eighteenth-Century Stoic Poetics](#) Alexandra Bacalu, 2023-03-20 Eighteenth Century Stoic Poetics Shaftesbury Akenside and the Discipline of the Imagination offers a fresh perspective on the eighteenth century poetics of Lord Shaftesbury and Mark Akenside This book traces the two authors' debt to Roman Stoic spiritual exercises and early modern conceptions of the care of the self which informs their view of the poetic imagination as a bundle of techniques designed to manage impressions cultivate right images in the mind and rectify judgement Alexandra Bacalu traces the roots of this articulation in early modern writings on the imagination as well as in Restoration and Augustan debates on wit exploring the fruitful tension between ideas of imaginative enthusiasm and imaginative regulation that it provokes

Essay Upon Wit: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
