The Rhetorics of Feminism Lynne Pearce,2013-04-15 Is it possible that changes in rhetorical practice could alter not just how thought is expressed but also how it is made Through a close stylistic and rhetorical analysis of contemporary feminist writing from the cultural theory of Judith Butler to the popular journalism of Naomi Wolf and Germaine Greer Lynne Pearce demonstrates how feminist thought is created as well as communicated through the frameworks in which it is presented By linking rhetorical innovation with feminist epistemology in such a direct way this is a book that will be of immense methodological as well as theoretical interest to readers providing valuable insight into the often mysterious processes of conception and composition

Four Square: Writing Method Grades 4-6 Judy Gould,Evan Jay Gould,Mary F. Burke,2010-09-01 Teach writing skills using the Four Square method which has been proven to work in classrooms just like yours This revised and updated edition of the book also includes PowerPoint files filled with additional Four Square examples activities and writing exercises The Four Square method can be used with all forms of writing and will fit any reading or language arts program This step by step approach is built around a simple graphic organizer that first shows students how to collect ideas and then helps them use those ideas to create clear and polished prose Open ended reproducibles make the technique accessible to writers of all ability ranges It is also great for content area writing

Mystery Solved John G. Laflamme Ed.D.,2021-12-23 The book covers writing concepts that are overlooked when teaching writing Though the writing process has contributed greatly to helping students improve their writing very little instruction exists to assist students in understanding how to organize the ideas once they have generated them Students need to be adept at identifying the function of each sentence in a paragraph Too often students write general statements about a topic and do not provide the concrete details needed to help the reader understand the point Teachers also want rigor in the writing curriculum but that often means assigning more and longer essays A rigorous writing curriculum can challenge students without adding to a teacher s correction load This book helps teachers achieve that balance
