companion for women everywhere to embrace natural pregnancy and reap all the benefits for both baby and mama **The Miracle of Kayla** Daniel J. Williams, 2018-06-29 Inspired to have a child an FBI Agent and his wife set out to realize their dream confident in God's plan. Instead they would find themselves on a seven year odyssey of hope and despair. Their journey would lead them down every possible road to conceive a child. Instead each path led to one heartbreak after another including the loss of a child through miscarriage. Eventually they would become the victims of a shocking adoption fraud. Once again they would stare down at an empty crib realizing it would forever remain empty. Desperation settled into hopelessness as they wondered if they would ever become parents. Still they held tightly to their faith in God to deliver on a dream they believed he inspired. However God had a plan to take them down a road they never anticipated. His divine blueprint required them to step out in faith and obedience in their darkest hour. Yet it was through this journey they would discover that God weaves the threads of our lives to include our moments of despair into the tapestry of his grand design. A portion of the sales will be used to fund charitable organizations supporting adoption. **Dear Diary Niko**

Michelle, 2023-09-26 Something's always been off with Eva Moss but in the African American community everything is prayed away including crazy. What happens when the answer to prayer is therapy and medication? According to Eva's mother that's taboo. All it takes is a little more Jesus and Eva will be normal. Normal never lasts long. After Eva's brother Michael is killed in a car accident she is finally admitted to the psych ward for help. Stabilization seems within reach until a quick trip to the pharmacy brings her face to face with Myles, the man responsible for taking her brother away from her. When Myles turns up dead, Eva has to prove her innocence. According to her, she didn't kill Myles; her deceased brother did. Can she stand trial? Should she stand trial? The question remains: was Myles' murder a result of her mental health disorder or premeditated murder?

Making Citizenship Work Rodolfo Rosales, 2022-08-24 *Making Citizenship Work* seeks to address questions of how a community reaches a place where it can actually make citizenship work. A second question addressed is: What does citizenship represent to different communities? Across thirteen chapters, a collection of experts traverse multiple disciplines in analyzing citizenship from different points of access. Each chapter revolves around the premise that empowerment of communities and individuals within the community comes in different forms and is governed by multiple needs and visions. Authors utilize case studies to demonstrate the different roles that communities from a broad sector of our society adopt to accomplish constructing democratic processes that reflect their goals, needs, and cultures. Concurrently, authors address the structural obstacles to the empowerment of communities, arguing that the democratic process does not and cannot accommodate the diverse communities of society within a single universalistic model of citizenship. They conclude that fundamentally, citizenship is not simply a legal right, an obligation, a state of rights, but a practice, an action on the behalf of community. *Making Citizenship Work* challenges conventional thinking about politics while also encouraging readers to go beyond the box that deters us from visualizing a human society. It is an ideal book for undergraduate and graduate courses in
