Good For Enterprise Administrators Guide

Mike Jess

Good For Enterprise Administrators Guide:

Enterprise Mac Administrators Guide Charles Edge,Zack Smith,Beau Hunter,Roderick Smith,2010-05-10 Charles Edge Zack Smith and Beau Hunter provide detailed explanations of the technology required for large scale Mac OS X deployments and show you how to integrate it with other operating systems and applications Enterprise Mac Administrator s Guide addresses the growing size and spread of Mac OS X deployments in corporations and institutions worldwide In some cases this is due to the growth of traditional Mac environments but for the most part it has to do with switcher campaigns where Windows and or Linux environments are migrating to Mac OS X However there is a steep culture shock with these types of migrations The products that are used are different the nomenclature is different and most importantly the best practices for dealing with the operating system are different Apple provides a number of tools to help automate and guide IT toward managing a large number of Mac OS X computers it has since before Mac OS X was initially released However if you want to put together all of the pieces to tell a compelling story about how to run an IT department or a deployment of Macs you need to compile information from a number of different sources This book will provide explanations of the technology required Provides complete solutions for the large and medium scale integration of directory services imaging and security Complete guide for integrating Macs and Mac OS X into mixed environments with confidence and no down time One stop volume for IT professionals who need the technical details to get their job done as efficiently and effectively as possible

Enterprise iPhone and iPad Administrator's Guide Charles Edge,2011-01-27 Are you an IT professional involved in deploying the iPhone and or iPad in your company or organization Do you have fellow employees who are eager to use their iPhones and iPads for work Then this is the book for you Enterprise iPhone and iPad Administrator s Guide provides step by step instructions on how to deploy and integrate the iPhone within a range of professional environments from large businesses and educational institutions to medium sized offices This book ensures that the process is achieved in a streamlined efficient and cost effective manner The guide begins with an introduction to basic deployment concerns then moves into actual methods and tools that you can use to streamline the deployment process Next an in depth discussion of configuration and provisional profiles helps you deliver solid device setup security and adherence to organization policies Finally you ll learn how to use existing help desk teams to provide effective user support Also included is coverage of the latest iPhone and iPad specific enterprise technologies such as push notification and calendaring tools as well as internal iPhone and iPad applications and web based solutions for businesses
