**The Encyclopedia of Racism in American Films** Salvador Jiménez

Murguía,2018-04-12 Winner RUSA 2019 Outstanding References Source Winner and named a Library Journal Best Reference Book of the Year 2018 From D W Griffith s Birth of a Nation in 1915 to the recent Get Out audiences and critics alike have responded to racism in motion pictures for more than a century Whether subtle or blatant racially biased images and narratives erase minorities perpetuate stereotypes and keep alive practices of discrimination and marginalization Even in the 21st century the American film industry is not color blind evidenced by films such as Babel 2006 A Better Life 2011 and 12 Years a Slave 2013 The Encyclopedia of Racism in American Film documents one facet of racism in the film industry wherein historically underrepresented peoples are misrepresented through a lack of roles for actors of color stereotyping negative associations and an absence of rich nuanced characters Offering insights and analysis from over seventy scholars critics and activists the volume highlights issues such as Hollywood s diversity crisis White Savior films Magic Negro tropes The

disconnect between screen images and lived realities of African Americans Latinos Native Americans and Asians A companion to the ever growing field of race studies this volume opens up a critical dialogue on an always timely issue The Encyclopedia of Racism in American Film will appeal to scholars of cinema race and ethnicity studies and cultural history

**Human Behavior in the Social Environment, Sixth Edition** Irl Carter,2013-11-03 At Home in the Netherlands uses a range of indicators to describe developments in the integration of non Western migrants and their children in the Netherlands Attention is focused on the situation of non Western children in education the position of non Western migrants on the labour and housing markets their representation in the crime figures and their degree of socio cultural integration The book also looks at civic integration the mutual perceptions of the non Western and indigenous populations and the life situation of young people with a non Western background

**Pop Culture and the Dark Side of the American Dream** Paul A. Cantor,2019-05-17 The many con men gangsters and drug lords portrayed in popular culture are examples of the dark side of the American dream Viewers are fascinated by these twisted versions of heroic American archetypes like the self made man and the entrepreneur Applying the critical skills he developed as a Shakespeare scholar Paul A Cantor finds new depth in familiar landmarks of popular culture He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White Beginning with Huckleberry Finn and ending with The Walking Dead Cantor also uncovers the link between the American dream and frontier life In imaginative variants of a Wild West setting popular culture has served up disturbing and yet strangely compelling images of what happens when people move beyond the borders of law and order Cantor demonstrates that at its best popular culture raises thoughtful questions about the validity and viability of the American dream thus deepening our understanding of America itself

*American Philosophy in Translation* Naoko Saito,2019-10-10 In response to the contemporary crisis of democracy as a way of life in particular the anxieties of inclusion this important new book explores the contemporary significance of American philosophy the pragmatism and American transcendentalism of Emerson and Thoreau and tries to present new ways of cultivating political emotions and political citizens To take up this philosophical political educational task the book introduces Cavell's idea of philosophy as translation a broader sense of translation as being internal to the nature of language and hence to the condition of human being as linguistic being and hence as political being Translation is a lens through which to enhance the possibilities and to elucidate the shifting identities of American philosophy Through this a hidden tension within American philosophy between pragmatism and transcendentalism is exposed Ultimately the book presents a vision of an alternative political education for human transformation and perfectionist cosmopolitan education
