Good Mistress Guide:

Secrets of a Good Mistress Iva T. Louise, 2011 In *Secrets of a Good Mistress* I share my insights gained from walking the path of the other woman. It gives insights and shines a torch for the millions of women that knowingly or unknowingly have found themselves in this role to illuminate their way. It is a wake up call that asserts that being a mistress is not settling for second best as the mistress does not play second fiddle to the wife. Instead, she has her own distinct valuable role to play outside yet parallel within the dynamic of a marriage. Open to a higher love without ownership. Happiness in sharing without need of possession. The mistress's platform allows a woman to keep to her no's with respect and valuation where a wife is expected to submit and comply. The mistress role allows women to intentionally live lives of freedom, independence, and self-actualization without insecure feelings of guilt, sin, or shame. Full of wit and deeper insights of our very human nature. *Secrets of a Good Mistress* goes to the core as none before, asserting the essential truth that indeed One Woman is Not Enough. Though this path is not for all, Get this book. Learn more. Live more. Love more. Visit MistressJoys.com for more about the Mistress Network.

Leading the things which go bump in the night is Sam Bauers job. She unwittingly inherited this task from her Uncle Lawrence almost a year ago. As her powers and knowledge grow, Sam must find a way to keep the clans unified against a terrible ancient enemy which has returned from the past. The decisions Sam has to make become even more dangerous than the fangs and claws she sees on a daily basis. The balance between her personal and public life is also blurring. Sam must choose what she will allow herself to become without losing her humanity.
