Hard Words S. Joel Warrican, 2005 Throughout the Caribbean there is concern about the standard of writing among students This concern is verbalized in numerous reports from the Caribbean Examination Council CXC on students performance in English in their certification examinations Hard Words offers solutions to this problem by exploring the effects of English based Creole on students writing and by promoting reading as powerful tool that can assist students and teachers in the classroom Existing studies of adolescents leisure reading rarely afford the opportunity to observe them engaging with reading material over an extended period In Hard Words the author uses observations and in depth interviews to gauge students reaction to different reading material reading related activities and streaming This study is unique in its provision of a programme to promote a culture of leisure reading as well as a mechanism for assessing the relationship between reading for pleasure and writing It also offers insights into students thoughts about reading their preference of reading materials and activities that can be used to encourage them to read more Through the use of figures tables samples of students writing and useful references the book provides a valuable source of teaching strategies for Caribbean Students in classrooms both within and outside the Caribbean

Reading in the Dark Jessica R. McCort, 2016-04-28 Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian Dark novels shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated Reading in the Dark fills a

gap in criticism devoted to children's popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children's cultural productions including picture books fairy tales young adult literature television and monster movies *Reading in the Dark* looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children's literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re-envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers' experiences of such mechanisms
