Griffiths Gamsat Guide

Michael Tan

Griffiths Gamsat Guide:

How to Get Into Medical School in Australia Timothy Shiraev, 2013-06 How to Get into Medical School in Australia is the definitive guide on how to succeed in your application to medical school and how to excel once there. The book provides comprehensive details of the admissions processes both undergraduate and graduate in an easy to digest chronological format to help you manage your application step by step. This detailed handbook includes an overview of the admissions process and the career of a doctor, characteristics sought in potential medical students and how to optimise them, study techniques for high school and undergraduate students, information on how to prepare for the medical school entry exams UMAT and GAMSAT, the pros and cons of undergraduate and postgraduate medical school and timelines on when to begin preparing for each step of the application process. The guide also features advice on special applications for mature age, indigenous, rural and international students, non traditional routes of entry, how to optimise your medical school application form including sample resumes and the all important medical school interview including how to prepare, how to dress and how to answer questions successfully on the day as well as several pages of practice interview questions. Once you have succeeded in gaining admission, the book also offers information on what medical school is like and advice on how to excel and enjoy it, including a list of necessary textbooks. Additionally, the guide includes advice from people who have excelled in various parts of the process: those who aced their high school leavers exams, medical students and junior and senior doctors. They describe their experiences and most importantly provide tips and guidance on how to succeed in getting into and studying at medical school. Also included are the profiles of every medical school in Australia detailing entry requirements, contact details, fees, numbers of places for students and the focus and academic ranking of each individual school. **So You**

Want to Be a Doctor? Kerry J Breen, 2012-01-01 So You Want to Be a Doctor is written specifically for young people who are considering embarking on a medical degree as well as for those already enrolled. This essential guide covers prerequisites for admission into medical school at both undergraduate and graduate entry level, what to expect as a qualified doctor in Australia today and what the Australian community expects in its doctors, life as a student from the application selection and interview process to the pressures of study, advice on managing stress and distress and where to get help if needed. The 18 medical schools in Australia, their similarities and differences and particular focus or strengths, the Australian health care system and career paths for medical graduates. It includes advice about study methods, financial support and balancing study with part time work and a social life as well as information that is relevant to specific groups such as Aboriginal and Torres Strait Islander students, international students and students with a disability. So You Want to Be a Doctor provides all the information a prospective medical student might need to decide on pursuing a career in medicine and to survive and thrive during the course of their study. **Choosing General Practice** Anne Hastie, Anne E.

Stephenson, 2009-04-13 This book takes the reader through the various aspects of a career in general practice from the time

of applying to medical school until retirement. It will be a practical guide for anyone who is interested in the profession. There have been a lot of changes to medical careers over the last few years that are now coming to completion, making this a thoroughly up-to-date guide for all those thinking of going into general practice.
