Happy Endings Beginnings Middles A Collection Of Short Stories:

Happy Endings (Beginnings, Middles) Ros Clarke, 2014-10-15 From the heady delicious moments of first falling in love to the cautious optimism of love reunited this collection of four short stories celebrates all our happy endings beginnings and middles Island Fling Seven years of separation One night to reconnect Years ago Andrew and Maggie tumbled into love too hard and too fast One harsh collision with reality shattered everything between them But now they're older and maybe a little bit wiser is there a way to make peace in the tranquility of a remote Scottish island Or is this one night fling just a way to finally say goodbye Twelve Days On the first day of Christmas my true love gave to me a flashmob proposal All Kevin wants is to spend the rest of his life with the woman he loves He's been planning the perfect proposal for months He never planned what would happen if she said no On the fifth day of Christmas my true love gave to me a diamond ring The last thing Laurel wants or expects for Christmas is a big flashy diamond ring She'd been hoping for a pile of books or perhaps a cashmere sweater In her experience marriage is the quickest way to kill a happy relationship When Kevin gets down on one knee she panics and runs On the twelfth day of Christmas my true love gave to me a rescue puppy and a trip to Hawaii He knows he's pushed too hard and too fast Now he's scrambling to hold on to the best thing that's ever happened to him while she's running hard and fast in the opposite direction How could it all go so wrong in just twelve days Last Night of the Summer It's been a fabulous summer crewing on a yacht in the Mediterranean Sun sea and seriously sexy scenery in the form of Ellie Richards But Jake Morgan has kept their friendship firmly hands off while she's been recovering from a badly broken heart Only now she's hinting that she wants more and he's determined to make the last night of the summer one for them both to remember Not My Field There's an immovable object Mike's dairy farm in Somerset isn't going anywhere And there's an irresistible force university lecturer Carla who has brought so much fun and joy into his life over the last few months But when she's offered a senior position in a German university they both know something's going to have to give Not My Field is a story about grown up people learning to take risks make compromises and in the end choose love
