Who's Your Source? Melissa M. Bender, Karma Waltonen, 2020-03-15 While students today have access to more sources of information than ever before they are not necessarily equipped to make informed judgments about those sources Teaching students to evaluate sources has become even more challenging in the last year as issues regarding fake news and alternative facts have become a heated matter in conversations taking place in the public sphere The book will present students with a set of tools that they can use to evaluate any source that they encounter In addition to learning how to use sources in their writing students who read Who's Your Source will become more savvy consumers of the sources they encounter in their daily lives Writing Philosophy Papers Zachary Seech, Andrew Kania, 2024-08-28 This sixth edition of Writing Philosophy Papers updates and expands one of the most popular guides to philosophical writing assignments for undergraduate students Written in a clear straightforward style the book covers everything from time management to the difference between i e and e g The heart of the book is devoted to how to write a thesis defense paper with chapters on the structure of a strong paper the process of writing and revising matters of style and usage and scholarly citation This advice is illustrated with concrete examples throughout including a complete thesis defense paper written and formatted according to the book's recommendations The book also covers how to take good notes from various kinds of philosophical sources how to write other commonly assigned kinds of papers and how to study for and take a philosophy exam A chapter on doing philosophical research contains practical advice on how to discover and access the most helpful sources for a philosophical research paper or annotated bibliography Because virtually every philosophy assignment requires a basic grasp of arguments the book ends with a chapter introducing some basic concepts and skills for reasoning well The heart of the sixth edition has been revised and restructured to lead students even more clearly through the process of drafting revising and formatting a thesis defense paper This new edition also includes an updated completely revised and expanded chapter on citing sources giving equal consideration to print and online sources an updated completely revised and expanded chapter on doing philosophical research focused on how to find the most helpful sources for completing a philosophical research paper or annotated bibliography updated revised and greatly expanded advice on writing style and usage a completely revised and expanded treatment of good reasoning with a new discussion of inductive and abductive reasoning and new advice on how to take good notes and how to study for and take philosophy exams **The International Student's Guide to Writing a Research Paper** Janine Carlock, Maeve Eberhardt, Jaime Horst, Peter Kolenich, 2017-06-13 The International Student's Guide to Writing a Research Paper is a reference text for undergraduate students and those in ESL or bridge courses who are writing a research paper for the first time This book is partly an update of Writing a Research Paper by Lionel Menasche 1998 and partly a companion to The ESL Writer's Handbook Each section of the book includes a discrete task called a Building Block which requires students to apply the skills learned toward the development of their own paper This step by

step approach allows students to construct knowledge as they become more familiar with the process making writing a research paper a less intimidating task Special features This guide uses simple direct language for those for whom writing a research paper is new Most example writing is from international students in an ESL program or first year writing class including two sample papers one in APA and one in MLA A section on responding to instructor feedback to provide students with the tools to read and understand comments and use them to improve the first draft A subsection dedicated to constructing clear and cohesive paragraphs and sentences The guide includes citation and style examples in MLA 8th edition

, Student's Guide to Writing College Papers, Fifth Edition Kate L. Turabian, 2019-06-28 Students of all levels need to know how to write a well reasoned coherent research paper and for decades Kate L Turabian's Student's Guide to Writing College Papers has helped them to develop this critical skill For its fifth edition Chicago has reconceived and renewed this classic work for today's generation Addressing the same range of topics as Turabian's A Manual for Writers of Research Papers Theses and Dissertations but for beginning writers and researchers this guide introduces students to the art of formulating an effective argument conducting high quality research with limited resources and writing an engaging class paper This new edition includes fresh examples of research topics clarified terminology more illustrations and new information about using online sources and citation software It features updated citation guidelines for Chicago MLA and APA styles aligning with the latest editions of these popular style manuals It emphasizes argument research and writing as extensions of activities that students already do in their everyday lives It also includes a more expansive view of what the end product of research might be showing that knowledge can be presented in more ways than on a printed page Friendly and authoritative the fifth edition of Student's Guide to Writing College Papers combines decades of expert advice with new revisions based on feedback from students and teachers Time tested and teacher approved this book will prepare students to be better critical thinkers and help them develop a sense of inquiry that will serve them well beyond the classroom **An**
