## **Human Resource Management Alan Price:**

*Fundamentals of Human Resource Management* Alan Price, 2011 *Fundamentals of Human Resource Management* provides a succinct yet comprehensive overview of the key issues shaping HRM today. The book explores the complex relationships between HRM and a range of organizational functions and encompasses the business, public and voluntary sectors. Using a wealth of real world examples, the text analyses HRM from a number of illuminating practical and theoretical perspectives. The book is arranged around four essential perspectives: environmental, organizational, strategic and operational. The text offers extensive coverage of contemporary HRM topics including ethics and diversity, knowledge management and talent management. Highly topical coverage of how HRM has been affected by the global financial crisis and of how HRM is practiced in the world's developing economies is incorporated throughout. This book emphasises the operational realities of HRM within the wider business context, demonstrating the practical application of key HRM concepts. **Principles of**

**Human Resource Management** Prof. Mehnaz Kaushar, 2020-08-01 Aligning organizational goals with employee development, fostering a positive work culture, ensuring fair practices and optimizing talent acquisition and retention for sustained success. *Human Resource Management in a Business Context* Alan Price, 2004 It is possible to establish a clear link between good human capital management and enhanced financial performance. In other words, effectively dealing with people is of major importance for all organizations. *Human Resource Management in a Business Context* locates HRM and other perspectives of people management in a framework focused on the needs of business studies students. It provides a thorough and comprehensive overview of all the key aspects of people management using numerous real examples from actual business situations. The practical rather than prescriptive approach allows students to understand the issues without getting lost in operational details. The new edition has been strengthened to make this our key offering in HRM and an ideal core text for most courses, fully able to compete with the comprehensive competition. **Human Resource Management**

Pravin Durai, 2010 HUMAN RESOURCE MANAGEMENT SAMANTA, SASMITA RANI, MAHAJAN, J.P., 2022-03-24 This text provides a comprehensive and refreshing insight into the application of human resource knowledge at the workplace to maximise operational efficiency and secure competitive advantage in the midst of ever-evolving environment. While the book is careful in providing a contemporary view of the constantly changing field of HRM, it nonetheless gives the readers a firm grip over its fundamentals which can be applied to handle real time situations. Apart from its practical usefulness to HR scholars and practitioners, the book intends to go a long way in meeting the knowledge and examination needs of students pursuing a career in HR courses at BBA/MBA level. **KEY FEATURES** Coverage The book provides exhaustive coverage of topics to understand intricacies and complexities of human resource management from its original functional role as a key instrument in search of human resources for the firm to being a strategic component of a firm's competitiveness, growth and development. A special treatment is given to application of Technology to manage HR issues and the unfolding of HR scenario.
