 Folkestone, and Deal guide, 1875 Michigan Compiled Laws Annotated Michigan, 1967 Five Miles Away, A World Apart  
 James E. Ryan, 2010-08-06 How is it that half a century after Brown v Board of Education educational opportunities remain so  
 unequal for black and white students not to mention poor and wealthy ones In his important new book Five Miles Away A  
 World Apart James E Ryan answers this question by tracing the fortunes of two schools in Richmond Virginia one in the city  
 and the other in the suburbs Ryan shows how court rulings in the 1970s limiting the scope of desegregation laid the  
 groundwork for the sharp disparities between urban and suburban public schools that persist to this day The Supreme Court  
 in accord with the wishes of the Nixon administration allowed the suburbs to lock nonresidents out of their school systems  
 City schools whose student bodies were becoming increasingly poor and black simply received more funding a measure that  
 has proven largely ineffective while the independence and superiority of suburban schools remained sacrosanct Weaving  
 together court opinions social science research and compelling interviews with students teachers and principals Ryan  
 explains why all the major education reforms since the 1970s including school finance litigation school choice and the No  
 Child Left Behind Act have failed to bridge the gap between urban and suburban schools and have unintentionally

entrenched segregation by race and class As long as that segregation continues Ryan forcefully argues so too will educational inequality Ryan closes by suggesting innovative ways to promote school integration which would take advantage of unprecedented demographic shifts and an embrace of diversity among young adults Exhaustively researched and elegantly written by one of the nation s leading education law scholars Five Miles Away A World Apart ties together like no other book a half century s worth of education law and politics into a coherent if disturbing whole It will be of interest to anyone who has ever wondered why our schools are so unequal and whether there is anything to be done about it     *The Social Distance Between Us* Darren McGarvey,2022-06-16 A RADIO 4 BOOK OF THE WEEK SHORTLISTED FOR THE RATHBONES FOLIO PRIZE FOR NON FICTION LONGLISTED FOR THE RSL ONDAATJE PRIZE An Orwell for today s poor The Times The standout authentic voice of a generation Herald McGarvey is a rarity a working class writer who has fought to make the middle class world hear what he has to say Nick Cohen Guardian Why are the rich getting richer while the poor only get poorer How is it possible that in a wealthy civilised democracy cruelty and inequality are perpetuated by our own public services And how come if all the best people are in all the top jobs Britain is such an unmitigated bin fire Join Darren McGarvey on a journey through a divided Britain in search of answers Here our latter day Orwell exposes the true scale of Britain s social ills and reveals why our current political class those tasked with bringing solutions are so distanced from our lived experience that they are the last people you d want fighting your corner Praise for Darren McGarvey Utterly compelling Ian Rankin New Statesman Brilliant Russell Brand An absolutely fascinating individual Owen Jones Offer s an antidote to populist anger that transcends left and right articulate and emotional Financial Times     **Congressional Record** United States.
