The Three-Box Solution Vijay Govindarajan, 2016-04-26 How to Innovate and Execute Leaders already know that innovation calls for a different set of activities skills methods metrics mind sets and leadership approaches And it is well understood that creating a new business and optimizing an already existing one are two fundamentally different management challenges The real problem for leaders is doing both simultaneously How do you meet the performance requirements of the existing business one that is still thriving while dramatically reinventing it How do you envision a change in your current business model before a crisis forces you to abandon it Innovation guru Vijay Govindarajan expands the leader s innovation tool kit with a simple and proven method for allocating the organization s energy time and resources in balanced measure across what he calls the three boxes Box 1 The present Manage the core business at peak profitability Box 2 The past Abandon ideas practices and attitudes that could inhibit innovation Box 3 The future Convert breakthrough ideas into new products and businesses The three box framework makes leading innovation easier because it gives leaders a simple vocabulary and set of tools for managing and measuring these different sets of behaviors and activities across all levels of the organization Supported with rich company examples GE Mahindra Mahindra Hasbro IBM United Rentals and Tata Consultancy Services and testimonies of leaders who have successfully used this framework this book solves once and for all the practical dilemma of how to align an organization on the critical but competing demands of innovation **Coffee for One** KJ Fallon, 2018-01-02 Reminiscent of God in a Cup and The Devil s Cup this is an inside look into the modern business of making coffee But rather than a general history Coffee for One focuses on the revolution that made single serve such a popular way to consume coffee worldwide and the competition and conflict that got us here This story features A list names corporate intrigue environmental controversy and much much more For the vast majority of the time humans have consumed coffee the drink has been brewed in pots or other multi serving tools that is until the last two decades which saw the rise of the single serve coffee machine Whether it s a Keurig or a Nespresso today a lot of people get their coffee from little plastic individual serving pods But why Coffee for One breaks open this story of innovation profit and cultural change **Just My Style** J.M. Snyder, 2015-03-22 When hair stylist Jai Hathaway decided to open his own salon he knew he would sacrifice some of his personal time to run the business But long hours working late have him feeling lonely and he just doesn t seem to connect with the few men he dates His business partner Kiki suggests what he needs is to find a different type of guy someone who isn t in the salon business but not only does Jai not know how to find a guy like that he isn t even sure where to look On a particularly cold morning in January the salon s hot water goes out and Jai scrambles to find a plumber on short notice Enter Duane Schneider sexy and confident and interested in getting more than just Jai s hot water boiling But he s so outside Jai s comfort zone that at first the stylist isn t sure how to react When it becomes obvious Duane wants to continue things outside of business hours though Jai agrees to a date if only to see where the evening might lead Is Kiki right when she

said Jai needed to find someone different Or will Duane turn out to be just his style after all Government Reports
