**Digging Up Armageddon** Eric H. Cline, 2022-05-17 A vivid portrait of the early years of biblical archaeology from the acclaimed author of 1177 B C The Year Civilization Collapsed In 1925 famed Egyptologist James Henry Breasted sent a team of archaeologists to the Holy Land to excavate the ancient site of Megiddo Armageddon in the New Testament which the Bible says was fortified by King Solomon Their excavations made headlines around the world and shed light on one of the most legendary cities of biblical times yet little has been written about what happened behind the scenes Digging Up Armageddon brings to life one of the most important archaeological expeditions ever undertaken describing the stunning discoveries that were made there and providing an up close look at the internal workings of a dig in the early years of biblical archaeology The Times Index ,2007 Indexes the Times and its supplements *Anthropologists in the Stock Exchange* Marc Flandreau, 2016-09-19 Uncovering strange plots by early British anthropologists to use scientific status to manipulate the stock market Anthropologists in the Stock Exchange tells a provocative story that marries the birth of the social sciences with the exploits of global finance Marc Flandreau tracks a group of Victorian gentleman swindlers as they shuffled between the corridors of the London Stock Exchange and the meeting rooms of learned society showing that anthropological studies were integral to investment and speculation in foreign government debt and inversely that finance played a crucial role in shaping the contours of human knowledge Flandreau argues that finance and science were at the heart of a new brand of imperialism born during Benjamin Disraeli's first term as Britain's prime minister in the 1860s As anthropologists advocated the study of Miskito Indians or stated their views on a Jamaican rebellion they were in fact catering to the impulses of the stock exchange for their own benefit In this way the very development of the field of anthropology was deeply tied to issues relevant to the financial market from trust to corruption Moreover this book shows how the interplay between anthropology and finance formed the foundational structures of late nineteenth century British imperialism and helped produce essential technologies of globalization as we know it today **The Theosophical Society is Disloyal to Theosophy and its Ennobling Purpose** Bahman Pestonji Wadia, 2018-06-17 *The Guardian Index* ,1998 **Index to the Correspondence of the Foreign Office** Great Britain. Foreign Office, 1937 **A Postal History of the Prisoners of War and Civilian Internees in East Asia During the Second World War** David Tett, 2002 The author combines the general history of the period with personal references from individual correspondences to give detailed context to the postal arrangements for POWs and internees into and out of East Asian countries under Japanese occupation during World War II *Kine weekly* ,1947 Ottoman Izmir Maurits H. van den Boogert, 2007 **Letters on the Masonic Institution** John Quincy Adams, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1847 edition Excerpt image of persecution did it never occur to you that

the foul and midnight hag who justly bears that name is never to herself more deliciously occupied than in charging persecution upon others In those Holy Scriptures which it is your official duty to read and expound to your companions and brethren of the Royal Arch it is related that when your predecessor in the high priesthood Ananias commanded that Paul should be smitten on the mouth the apostle of the gentiles turned upon him and said God shall smite thee thou whited wall for sittest thou to judge me after the law and commandest me to be smitten contrary to the law I will not imitate this exclamation of Paul for which he himself apologized when informed that it was the high priest to whom he spoke but I will ask you sir to reconsider this charge of persecution imputed by you in the face of the world not indeed to any individual by name but to a numerous and respectable class of your fellow citizens in nine or ten States of the Union to all that class of citizens known in the community by the denomination of Antimasons I am one of them myself As respects myself I know as regards the whole party I firmly believe that in the above passage of your address you did them great injustice In charging them with calumny you calumniated them yourself In accusing them of persecution you are yourself the persecutor I will not say that on your part this persecution and calumny were wilful You had for many years retired from any participation in the labors of the craft If this fact is not very pregnant of evidence that in your estimation the labors of the craft were when you participated in them of a high order of public usefulness or private
