Aaron Lawrence,2000 Buying Sex Simon Hexton,2017-04-04 Prostitution exists in another dimension another world hidden but everywhere around us Everyone knows it s there Yet most of the knowledge people have about prostitution is at best secondhand unreliable often deliberately distorted sometimes blatant lies Prostitution is a taboo subject and taboos breed ignorance The taboo means that the people who know what the world of prostitution is really like don t talk about it Few women are willing to admit even to their friends that they are prostitutes few men are willing to admit they visit prostitutes This book tries to give an accurate honest description of independent prostitution from the clients viewpoint and to the extent that it is possible for any client to do this from the prostitutes viewpoint as well It is NOT a confession I ve seen many prostitutes over the years and have hugely enjoyed my time with them I m not ashamed of seeing prostitutes don t feel guilty about it and I m not seeking forgiveness or atonement for it On the contrary meeting and having sex with prostitutes has hugely enriched my life I ve therefore tried to give an honest guide to the world of prostitution as I ve experienced it and to argue the rational case for prostitution as a good thing The book is in two main parts Firstly a TRAVEL GUIDE to the hidden world of prostitution to describe what it s really like from the viewpoint of someone who has personally experienced it rather than the myths and legends most people hear It tells you how as a client you can safely find and meet prostitutes what you will have to pay what you can expect to get and everything you need to know about how the hidden world of prostitution works I hope this will help you decide whether you want to visit the world yourself what you should expect to find and what to beware of Although aimed mainly at clients the Travel Guide also describes what life is like for the prostitutes themselves the factors they need to take into account in setting themselves up how they juggle prostitution and the rest of their lives and how they view their work The Travel Guide is mostly about prostitution in Britain but it also talks in some detail about the world of FKK clubs the so called mega brothels in Germany which are based on a totally different and totally legal approach to prostitution one I would like to see adopted here The Travel Guide tells you how you can visit an FKK club to find out for yourself The second part of the book argues for a more open and honest UNDERSTANDING AND TOLERANCE of the world of prostitution in Britain the people within it the psychology of it and the need for more genuinely open minded academic research into it I would love this to lead to a more honest government and public policy approach to prostitution as a social phenomenon tackling its problems and needs objectively and based on reality rather than myths no matter how politically expedient those myths may be It argues that far from being a problem prostitution can have positive social benefits particularly if the law treats it openly and tolerantly I ve also included a short section on PRACTICAL ISSUES such as prostitution and the law looking after your health protecting your physical safety what to do if things go wrong and so on I hope you enjoy reading the book and I hope it changes your mind about prostitution in Britain SH I define independent prostitutes as women who have made a deliberate and rational choice to work as prostitutes They are self employed working entirely on their own account usually from a house or flat or visiting you in your home or a hotel room The book does not

cover streetworkers people working in massage parlours or male prostitutes mainly because I have no experience of those sectors of the market Someone else will have to write that book *Turning Pro* Magdelene Meretrix,2001 From dance hall girls to happy hookers the world has always been fascinated with sex workers Now a woman who s done almost every kind of sex work imaginable reveals the actual details of sex work how to get a job how to keep yourself safe how much you can expect to make how to plan your exit strategy and more as well as dozens of juicy anecdotes about what life is like between the sheets An essential manual for anybody who s ever considered a career as a phone sex operator escort call girl exotic dancer adult film performer or any other kind of sex worker **Story of an American Escort** C. koa,2008-05 Breana James after leaving home at the early age of 17 is introduced into the fantasy life of the exotic dancer Having thought she had found her calling life seemed sweet Until her beautiful 18 year old cousin shows up unexpectedly at her birthday party and soon after introduces Breana into the enticing world of escorting Taking place in America s finest city San Diego there is never a dull moment My name is Breana James I am twenty four years old As of last week I have a quarter of a million dollars worth of gold coins bearer bonds jewelry and cash in my safe deposit box This is my story Ladies Guide for Escorting Victoria Vadar,2009 *Veronica Monet's Sex Secrets of Escorts* Veronica Monet,2005 What makes men pay Veronica Monet 2 500 an hour for her services After nearly 15 years of being an expensive escort she shares her secrets in this intimate funny no holds barred guide filled with anecdotes from her years in the trenches helpful hints about lingerie mood erotic toys and more than a few techniques that only the working girls know Veronica Monet s Sex Secrets of Escorts is a must have guide for any woman interested in enriching the sex life she shares with her partner
