

RATIONALE FOR LESSON PLAN

For the use of literature in the early years English program I decided to choose "Adjectives" as my focus for my lesson plan. The reason I chose adjectives as a focus is because I think its very interesting topic to teach, as it is very engaging.

I believe it's a productive, enjoyable and informative lesson for students. By teaching this topic to a grade one class, makes the focus a lot easier to comprehend what adjectives are, and why they're used. I have also made sure my lesson plan links to the Australian Curriculum, as students are able to explore differences in words such as nouns, verbs, adjectives and adverbs (AusVELs, 2015).

The topic of adjectives was chosen as it is an area of literacy that children are familiar with, this is shown in a number of ways such as through reading picture story books and through every day conversations.

To help students understand the word meaning, teachers are able to get students to construct sentences that clearly indicate meaning (Seely Flint, Kitson, Lowe, & Shaw, 2014).

To begin the lesson I thought it would be a good idea to tune the students in with a picture book we have been focussing on for the past week, which is called " Polar Opposites" by Erik Brooks. "Reading aloud, and writing offer opportunities for all students to extend their knowledge, skills and practices through whole-class explicit lessons or mini-lesson topics based on relevant curriculum content" (Seely Flint, Kitson, Lowe, & Shaw, 2014, p.279).

I knew that the students found this book very interesting as the book is full of colour illustrations and a wide range of describing words. This book teaches children about all types of opposites. I found that students could easily pick up on the different types of adjectives such soft, hard, sweet, sour and many more.
