

My Autobiography - Example

5 pages | 1099 words

I am Gene Geralde Gonzales, I was born on May 2, 1971 in Baguio City, Philippines. We are seven siblings in the family. I am the seventh child. My mother's name is Fe Geralde Gonzales, she is from Cebu City and my father's name is Mario Dy Gonzales, he is from Legaspi, Albay. I took my elementary education as well as my secondary education at Saint Louis School of Campo Filipino located at Naguillian Road Baguio City. I had a happy childhood living with my parents and my siblings. During weekends, we usually spend our day in the park. We helped each other in our daily activities. My family was a happy and a loving family.

During my high school days, I usually spend my free time in the library together with my friends. Reading has been an important part in my life. I have always loved reading since reading entertains, educates and informs. Reading interesting novels such as fiction books has been part of the entertainment aspect of my reading history. I love the way stories are told in books and as I read, I often get overwhelmed and enter the scene being explained in the story. At times I feel I am watching live scenes. This entertains me!

Our school was exclusively for girls and because of that I find it hard to communicate with the opposite sex. We usually spend our summer vacation in the hometown of my mother, which is located in Minglanilla Cebu City. My hobbies are reading books, biking, watching movies and also cross stitching. I also spend my free time hanging out with my friends.

My dream was to become a nurse. I was able to pass the entrance examination at Saint Louis University and I had my first year as a nursing student. I wasn't able to pass one of the major subjects so I had to transfer to another school. I had to take a summer class for my back subject at Pines City Educational Center and from that time I continued my studies and graduated in the year 1992 with a Bachelor of Science in Nursing. After graduation, I had my self review and took the exam for Civil Service Professional Level, wherein I was able to pass the exam. By the year 1993, together with my college friends, we went to Manila to have our review and took our board exam for nursing. While waiting for the result of the board exam, I worked as a volunteer nurse at Antamok Mines.

My interpersonal skills and nursing skills were developed during my stay at Antamok Mines Hospital. After I passed the Board Exam for Nurses, by the year 1994, I worked as a private duty nurse employed by Miss Cheen Tan, wherein I took care of her father, who was 82 years of age and with Parkinson's disease. I assisted him with his daily activities, bathed and fed him, and also made sure he took all his medications on time. My salary as a private duty nurse was not enough...
