Global Vehicle Reliability J. E. Strutt, P. L. Hall, 2003-03-28 Global Vehicle Reliability promotes an understanding of the use of predictive models failure analysis and modelling techniques The chapters written by experts from Jaguar Ford independent industry consultants and respected academics emphasize the need to correlate life testing to real world usage profiles In an increasingly competitive marketplace reliability and predicting failure correctly can provide an edge or mean commercial disaster if it is not managed well Global Vehicle Reliability will be of interest to automotive engineers involved in reliability testing designers manufacturers component suppliers testing houses and key automotive decision makers Vehicles are now global in their brand marketing manufacture and development This international spread and network of research development supply and assembly provides real challenges in the maintenance of high standards of reliability The global vehicle has to be able to perform reliably and be easy to maintain in all the world wide territories that the manufacturer is selling into Vehicles are becoming increasingly complex and the purchaser expects better and better reliability The onus is on the manufacturers their suppliers the testing houses and the whole international network of brand developers to meet these expectations *Ford's International Cruise Guide* , 1987 **American Icon** Bryce G. Hoffman, 2013-02-05 The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally At the end of 2008 Ford

Motor Company was just months away from running out of cash With the auto industry careening toward ruin Congress offered all three Detroit automakers a bailout General Motors and Chrysler grabbed the taxpayer lifeline but Ford decided to save itself Under the leadership of charismatic CEO Alan Mulally Ford had already put together a bold plan to unify its divided global operations transform its lackluster product lineup and overcome a dysfunctional culture of infighting backstabbing and excuses It was an extraordinary risk but it was the only way the Ford family America's last great industrial dynasty could hold on to their company Mulally and his team pulled off one of the greatest comebacks in business history As the rest of Detroit collapsed Ford went from the brink of bankruptcy to being the most profitable automaker in the world American Icon is the compelling behind the scenes account of that epic turnaround In one of the great management narratives of our time Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry Hoffman was granted unprecedented access to Ford's top executives and top secret company documents He spent countless hours with Alan Mulally Bill Ford the Ford family former executives labor leaders and company directors In the bestselling tradition of Too Big to Fail and The Big Short American Icon is narrative nonfiction at its vivid and colorful best
