

What the Work Shows

Matthew has worked hard to capture some quirky moments of his father's life and especially to depict his own relationship with his dad. He has used a mixture of observation, anecdotes, and humour to capture these moments. Together they form a sincere and loving picture of what appears to be a close bond.

Whenever I can't find my dad he's usually out on his quest to kill all the gorse or just mowing the lawns.

Every school night dad comes up to me holding a sharp knife and some sort of food. He asks me what I want in my sandwiches when I say "nothing" he groans and rolls his eyes and pionts the knife to the ground. When its time to get my soccer boots on dad comes into the room untying my boots and loosening them ready to put on. He sits there like I'm a king and he's a shoes salesman.
