

The Good Samaritan

The Samaritan took the man to an inn.

He paid the inn keeper to take care of him.

He promised to come back and make sure he was ok.

Jesus said we should show God's love to everyone.

Jesus told a story to teach people to love others.

One day, a man was walking alone on a mountain path.

A gang of robbers jumped out on him. They beat him up and stole everything he had.

Summary of Robert L. Plummer's 40 Questions about Interpreting the Bible Everest

Media,2022-09-17T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 To sum up the question what is the difference between the Bible and other sacred texts The answer is The Bible is the Word of God If you know that you are halfway to understanding why Jesus said He who does not listen to me God cannot have eternal life John 5 24 The Old Testament prophets spoke God s Word to the people of Israel God used a series of human authors to write down His Word The author of the Old Testament books of Isaiah Jeremiah and Ezekiel all lived around the same time So there is a fairly close connection between their books and the life ministry and teachings of Jesus Christ The New Testament reflects the life and ministry of Jesus Christ himself It was written by many different authors over a period of about thirty years The books were also assembled into a final form around 100 AD So there is no single author or editor who can be identified as being behind every book that appears in the New Testament So when we look at the Bible we see that it is the work of many human authors and editors who were each inspired by the Holy Spirit to write what they wrote 2 The Bible is the Word of God It was written by many different authors and editors who were each inspired by the Holy Spirit to write what they wrote The Bible itself is a collection of sixty six smaller books or literary works which claim the Holy Spirit as the ultimate authority and safeguard behind their writing 3 The Bible is the Word of God It was written by many different authors and editors who were each inspired by the Holy Spirit to write what they wrote The Bible itself is a collection of sixty six smaller books or literary works which claim the Holy Spirit as the ultimate authority and safeguard behind their writing 4 The Bible is the Word of God It was written by many different authors and editors who were each inspired by the Holy Spirit to write what they wrote The Bible itself is a collection of sixty six smaller books or literary works which claim the Holy Spirit as the ultimate authority and safeguard behind their writing
