Craig,2000 This work considers Joseph Heller s career and examines each of his novels including *Closing Time* It pursues two complementary tracks first it explores the evolution of Heller s treatment of human morality and second it delineates Heller s artistic developments as a novelist **ABA Journal** ,1980-05 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Good as Gold** /°c**Joseph Heller** Joseph Heller,1979 **Good as Gold. [A Book for Children.]** ,1935 As It Was David Sarles,2024-04-30 *As It Was* traces the challenges the author faces looking inward in traveling outward and discovering in American writers stories of flight loss guilt posturing and love the challenges confronting readers *Broken Dreams* Mark Jackson,2021-06-10 The midlife crisis has become a clich in modern society Since the mid twentieth century the term has been used to explain infidelity in middle aged men disillusionment with personal achievements the pain and sadness associated with separation and divorce and the fear of approaching death This book provides a meticulously researched account of the social and cultural conditions in which middle aged men and women began to reevaluate their hopes and dreams reassess their relationships and seek new forms of identity and fresh pathways to self satisfaction Drawing on a rich seam of literary medical media and cinematic sources as well as personal accounts *Broken Dreams* explores how the crises of middle aged men and women were shaped by increased life expectancy changing family structures shifting patterns of work and the rise of individualism **Good as Gold** ,2017 *The Language of Humour* Walter Nash,2014-01-14 The broad aim of this lively and engaging book is to examine relationships between the linguistic patterns the stylistic functions and the social and cultural contexts of humour The material used in illustration is of corresponding breadth schoolyard jokes graffiti aphorisms advertisements arguments anecdotes puns parodies passages of comic fiction all come under Dr Nash s scrutiny Norman Podhoretz and Commentary Magazine Nathan Abrams,2011-10-27 What does the term neoconservative mean

Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism's leading thinker Norman Podhoretz and the magazine he edited for 35 years *Commentary*. Podhoretz has been described as the conductor of the neocon orchestra and through *Commentary* Podhoretz powerfully shaped neoconservatism. Rich in research, the book is based upon a wide range of sources including archival and other material never before published in the context of *Commentary* magazine, including Podhoretz's private papers. It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies. From this unique perspective, Abrams examines the origins, rise and fall of neoconservatism. In understanding Podhoretz, a figure often overlooked, this book sheds light on the origins, ideas and intellectual pedigree of neoconservatism.

Beyond Patriotism James R. Flynn, 2011-11-10 *Beyond Patriotism* argues that some millions of Americans have become post-national people who put the good of humanity ahead of patriotism or national honour. It discusses the decisions that led them from the Vietnamese War to the attempt to put Pol Pot back into power to the sanctions against Iraq. Rather than lamenting the heyday of patriotism, post-national people should congratulate themselves on attaining moral maturity. They should clarify their thinking about why nationalism is bankrupt, what Americans should do to pacify the world, what they owe to their native land and what they owe to themselves.

Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary

portrayals of Jewish American identity In *Passing Fancies* in Jewish American Literature and Culture Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today s contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America s nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment
