Origins of the Salvation Army Norman Murdoch, 2014-09-19 The Salvation Army is today one of the world's best known and best regarded religious and charitable movements In this deeply researched study Norman Murdoch offers some surprising new insights into the denomination's origins and its growth into an international organization Murdoch follows the lives and work of the Army's founders William and Catherine Booth from their beginnings as Wesleyan evangelists in the 1850s to their inauguration of a Utopian social plan in 1890 In particular Murdoch identifies quick accommodation to failure as a persistent theme in the Army's early history When the Booth's East End mission faltered in the mid 1870s Booth took his preaching to the provincial towns The failure of that ministry led him in 1878 to reorganize his efforts along then popular military lines and the Salvation Army was born With women as its shock troops this Christian imperium would spread beyond Britain's boundaries to become as international in scope as Victoria's empire Challenging various notions popularized in the denomination's official histories this book will be of special interest to historians of nineteenth century social reform scholars of evangelical Protestantism and readers interested in the relationship between class and religion in the Anglo American world
