Ideological Idiocy Tygrrrr Express,2010-04-08 Conservatives are busy trying to save the world The world is going to heck in a handbasket and liberals are trying to figure out whether to hold angry peace rallies or celebrate the environment by leaving their signs on the grass for productive people to clean up If only they knew how many trees and bunny rabbits were murdered on 9 11 by people unconcerned with carbon emissions Liberals like to declare every conservative on the planet to be either evil or stupid Ideological Idiocy is about their declaration of our being unenlightened dolts This is ideological idiocy Having liberals declare the author stupid is like listening to members of the KKK call him insensitive Conservatives must remember that our critics do not matter Nobody listens to these crying children For those that do not have a blunt instrument nearby or are looking for a solution that avoids jail humor is a powerful weapon Use it against the left every moment they breathe They may get offended but that is the point The only thing that the author wants to communicate in this book is that without love and laughter there is no life Nothing he does will change the world but if it gets a stiff person to lighten up and smile he is pleased

storytelling at once stunning truthful and uncomfortably hilarious **Cassandra Behind Closed Doors** Linda Sorpreso, 2018-10-01 Yet behind closed doors the laughter faded and the fear came back At thirteen years of age Cassandra Romanelli's world had turned out to be everything she hated Cassie lived in a big Italian family with lots of complex relationships Dealing not only with the rules and regulations of a strict abusive father Cassie also struggled with bulimia and had to overcome the taunts and bullying from her classmates plus peer pressure and a struggle to be accepted Although pretty Cassie just saw herself as a chubby Italian girl who was in love with the one guy she couldn't have her best friend's boyfriend Following physical interference by a family member and betrayal by her best friend Cassie's self-esteem plunged to an all-time low The pressures she endured led her to listen to an inner voice that directed her to do a most shameful thing to her body Purge In her own mind Cassie felt that she was wise beyond her years She had seen too much experienced too many beatings and felt too many bruises and yet Cassie had no idea what was in store for her her real misfortune was just about to begin Cassandra Behind Closed Doors for young people is a window into real life and for adults is an insight into the world of today's kids with the issues they have to face every day *Sisyphus* Michael Richmond, *The Smoking Room* Scherrie Johnson, 2011-06-22 Thirty something Kori Black is overpaid and underworked and no one knows but her Involved in a one-way relationship with Nigel Wilson a man pre-occupied with golf Kori is thrilled when she receives a promotion that she is sure will add much needed excitement to her life Now she just needs to overcome the scars from her dysfunctional childhood so she can finally realize true love A month later Kori is sporting a new haircut a new job and a new attitude It seems like her world is taking off in a new direction But then all her dreams are shattered when she is suddenly downsized out of a job As she commiserates with her friend Will who is also unemployed she knows her financial situation is in serious jeopardy With no where to turn but her father Kori opens old wounds that cause her to question everything in her life Faced with guilt over the loss of a close friendship and determined to overcome her shame Kori somehow manages to meet a man who encourages her to let go of the past But Kori is about to discover the real truth outside the door of the smoking room

Exiled in America Christopher P. Dum, 2016-10-04 Residential motels have long been places of last resort for many vulnerable Americans released prisoners people with disabilities or mental illness struggling addicts the recently homeless and the working poor Cast aside by their families and mainstream society they survive in squalid unsafe and demeaning circumstances that few of us can imagine For a year the sociologist Christopher P Dum lived in the Boardwalk Motel to better understand its residents and the varied paths that brought them there He witnessed moments of violence and conflict as well as those of care and compassion As told through the voices and experiences of motel residents Exiled in America paints a portrait of a vibrant community whose members forged identities in response to overwhelming stigma and created meaningful lives despite crushing economic instability In addition to chronicling daily life at the Boardwalk Dum follows local neighborhood efforts to shut the establishment down leading to a wider analysis of legislative attempts to sanitize shared

social space He also suggests meaningful policy changes to address the societal failures that lead to the need for motels such as the Boardwalk The story of the Boardwalk and the many motels like it will concern anyone who cares about the lives of America s most vulnerable citizens
