have lost forty pounds and dropped ten pant sizes I know first hand how lonely it feels to be overweight and unhealthy But we don't have to be alone in this fight We can unite and make this country supply our demand for healthy food through our choices at our markets Never forget your power as a consumer with every dollar you spend and your power with your thoughts Believe in yourself and others and you can do and be whatever you want to be I am just here as a guide to help you on your journey
