Test Pattern for Living Nicholas Johnson, 2013 Test Pattern for Living is a kind of guidebook for anyone thinking about what they are doing with their life and why whether happy and wanting to stay that way or working their way through one of life's many stresses. As such it touches on everything from camping to cooking from religious values to the values of corporate advertising the role of love and sexuality and many many more subjects. It leaves you making your own choices. But it frees you to ask what other choices you might have made if corporate media hadn't spent billions of dollars trying to persuade you to make the choices that maximize their profits.
