threatens the lives of everyone in the world. Everyone that doesn't conform to his idea of normal. But as they go deeper within the magical maze, they're sent straight to the heart of the afterlife. Surrounded by powerful beings, they must confront their own internal demons that rival those that surround them in the flesh. When you're stuck in hell, the only way out is through. When Heather first came into her powers, it wasn't the smoothest of transitions into the role of a mage initiate. Her magic destroyed her childhood home with her parents along with it. As her powers continued to rage beyond her control, only the help of her new teacher could possibly let her go back to the normal life she so longed for. But when the emperor comes knocking, her choices are stripped from her, and her future is no longer her own.
