What is e2020?

- E2020 is a web-based model with teacher-led video delivery, and an innovative instructional approach. E2020 offers some of the most engaging and individualized instruction of any virtual school solution available today. It combines best-practice pedagogy with next-gen technology that enables your school to customize content and settings while providing an opportunity for students to learn at their own pace and make meaningful academic gains.
- URL for your course content: <http://student.education2020.com>
- You will receive your username and password from your instructor at orientation. You will also do a quick orientation assignment acclimating you to the e2020 learning environment.
- Be sure to follow the recommended course calendar!
- Each lesson includes vocabulary, a lecture, and some opportunity for applied practice before taking a short quiz. At the end of each unit you will take a topic test. At the end of the class you will take a final. At least two of your tests must be proctored.
- You will need a fairly fast computer with Java, Flash and Adobe updates installed so that lectures play properly. If technology becomes an issue please contact your instructor immediately.
