presents an overview of the culture in the New World and Louisiana including related literature such as Longfellow's *Evangeline*. For the visitor the state is divided into geographic regions such as New Orleans, the plantations, and Lafayette. For each area, tours, historic sites, and restaurants are described. The section on New Orleans celebrates the French Quarter and the local food and music. Outside of New Orleans are majestic plantations and beautiful bayous filled with cypress trees and hanging Spanish moss. Side trips from New Orleans allow visitors to sample some of the various musical tastes of the Bayou State. Zydeco music may be found in Lafayette while Cajun music may be heard throughout the southern part of the state. Special features include information on consulates, tourist offices, banks, and currency exchanges, and maps which, among other things, show distances between cities. With Louisiana, anyone can pass a good time and learn how to let the good times roll, or as the Cajuns say, *rouler*.
