**Cities of Kerala, Actually Small Towns** Baiju Natarajan,2008 In Kerala it is difficult to distinguish cities towns and villages From Thiruvananthapuram in the south to Kannur in the north it is one suburban stretch at times village like at times city like As much as 75% of Keralites continue to reside in villages but they are fast becoming urban with schools hospitals banks and other public utilities Most of the writers who contributed essays are natives and have brought out the very urban semi urban semi rural mix that is as much a part of the Kerala landscape as its coastline forests and plantations
