

## Edward III By Christopher Marlowe

---

107. Analyse how the following passage shows Edward's awareness of his loss of power and Mortimer's plan:

The seven may strive against the Earl's strength,  
But all is vain as vanity the Deceiver  
To seek for mercy at a tyrant's hand. (3.3.34-36)

108. What are Edward's feelings for Christian and the Spaniards as he faces indignity and death? How does what he says affect the reader's sympathy for Edward?

109. How do Kent's final thoughts echo those of Edward in Act V Scene 1?

Scene 1:

110. Mortimer's opening speech shows him now to be a Machiavellian. Exactly how does he plot to secure his position? (You will find the term unhelpfully useful in your answer.)

111. How is Lightborn's villainy stressed? (Don't forget the significance of his name. It is important that he learned his assassin's trade in Italy, home of Machiavelli.)

112. How does Mortimer's sublimely straightforward line fall? (The sin of pride or hubris is involved.)

113. In what ways does the scene of Kent's punishment show the fragility of Mortimer's hold on power?

Scene 4:

114. Exactly how does Marlowe in this scene continue to win the audience's sympathy for Edward?

115. What is the theatrical device quoted below?

LIGHTBORN. What means your highness to interrupt me thus?

EDWARD. What means there to dissemble with me thus? (3.5.78-79)

What is the effect here?

Scene 6:

116. Explain how this glaring entry in the scene shows Mortimer's arrogance:

As for myself, I stand as Rome's huge tower,  
And others are but stones compared to me. (3.6.111-112)

117. What self-knowledge has Mortimer gained by his tragedy? Is he/she, similarly dignified in her end?
