Resources in Education ,2001 *A Parents' Guide to Grading and Reporting* Matt Townsley,Chad Lang,2023-09-15 Whether resulting from the educational fallout of the COVID 19 global pandemic or merely challenging the status quo more schools are transitioning their grading practices away from traditional points and percentages and toward 21st century grading practices such as standards based and proficiency based grading *A Parents Guide to Grading and Reporting Being Clear about What Matters* assists parents and guardians in understanding what is involved in 21st century grading and how to become better partners with educators in efforts to understand students strengths and areas for improvement *The Independent Schools Guide 2011-2012* Gabbitas,2011-11-03 All parents want their child to be happy and successful at school but few decisions are harder than identifying the right school for your child *The Independent Schools Guide* now in its 17th edition provides all the guidance and advice needed to make the most informed decisions The book includes an extensive reference section for over 2 000 schools details on fee planning scholarships and bursaries guidance for overseas parents including language support and guardianship and detailed profiles of over 200 schools and colleges For any parent guardian or carer who is considering the independent sector the Guide is the definitive reference source **2012 GCSE English results** Great Britain: Parliament: House of Commons: Education Committee,2013-06-11 The 2012 GCSE English results prompted significant controversy which ultimately resulted in an application for judicial review This report sets out the background to these events and identifies lessons to be learned The problems with GCSE English can be traced back to the 2007 09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances Exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim Ofqual Further difficulties arose because of pressures from the school accountability system The problems experienced with GCSE English in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding The current status of Ofqual as an independent regulator accountable to Parliament is the right one However the Coalition Government is bringing in wholesale changes to GCSEs and A levels to a tight timetable and at the same time Ofqual must have systems in place The Committee is also concerned that there is a rush towards separate exam systems for England Wales and Northern Ireland without careful reflection on what might be lost or consensus that this is the right thing to do
