**Moses and Akhenaten** Ted Loukes, 2015-01-10 Could Moses have been a real person and could that person have been the Crown Prince Tuthmose son of Amenhotep III and brother to Akhenaten Two of the ancient world's most enigmatic characters Moses who led the Israelites from bondage in Egypt to the Promised Land yet archaeologically didn't exist and Akhenaten the heretical Pharaoh who overturned the religion of Egypt and was deliberately erased from history Who were these two men and what was the legacy they left behind To understand Moses and Akhenaten it is necessary to understand the times they lived in to establish how Moses came to be raised in a royal household where he went when he left Egypt what happened when he returned how the circumstances of the Exodus occurred and in which Pharaoh's reign did it take place It is time to take a fresh look at whatever inscriptional evidence there is and re-evaluate the various texts that have survived But before we do that we need to understand why what we read in textbooks and encyclopedias today is not really cast in stone This book is for the people who don't know Ancient Egypt or who only have recollections from history lessons at school mixed with Hollywood's take on the whole thing rather than for academics It is written to be understood and enjoyed by everybody

**The Story of the Bible: St. John to Revelation**, 1947 Moses and Akhenaten Ahmed Osman, 2002-10-01 A reinterpretation of biblical and Egyptian history that shows Moses and the Pharaoh Akhenaten to be one and the same Provides dramatic evidence from both archaeological and documentary sources A radical challenge to long established beliefs on the origin of Semitic religion During his reign the Pharaoh Akhenaten was able to abolish the complex pantheon of the ancient Egyptian religion and replace it with a single god the Aten who had no image or form Seizing on the striking similarities between the religious vision of this heretic pharaoh and the teachings of Moses Sigmund Freud was the first to argue that Moses was in fact an Egyptian Now Ahmed Osman using recent archaeological discoveries and historical documents contends that Akhenaten and Moses were one and the same man In a stunning retelling of the Exodus story Osman details the events of Moses Akhenaten's life how he was brought up by Israelite relatives ruled Egypt for seventeen years angered many of his subjects by replacing the traditional Egyptian pantheon with worship of the Aten and was forced to abdicate the throne Retreating to the Sinai with his Egyptian and Israelite supporters he died out of the sight

of his followers presumably at the hands of Seti I after an unsuccessful attempt to regain his throne Osman reveals the Egyptian components in the monotheism preached by Moses as well as his use of Egyptian royal ritual and Egyptian religious expression He shows that even the Ten Commandments betray the direct influence of Spell 125 in the Egyptian Book of the Dead Moses and Akhenaten provides a radical challenge to long standing beliefs concerning the origin of Semitic religion and the puzzle of Akhenaten s deviation from ancient Egyptian tradition In fact if Osman s contentions are correct many major Old Testament figures would be of Egyptian origin *Moses, Pharaoh of Egypt* Ahmed Osman,1990 A re examination of biblical history that provides dramatic evidence that the prophet Moses of the Old Testament was one and the same person as the revolutionary Pharaoh of Egypt Akhenaten Publisher description **The Legacy of Moses and Akhenaten** Sheldon L Lebold,2013-05 Were Moses and the Pharaoh Akhenaten One and the Same Modern historians and scholars beginning with Sigmund Freud have debated the controversial theory that Pharaoh Akhenaten vilified and deposed for establishing monotheism in Egypt was also Moses of the Exodus After an exhaustive examination of evidence from a variety of sources author Sheldon Lebold suggests that crucial pieces of the story have been overlooked Through a thoughtful analysis of ancient texts historical documents and contemporary research Lebold not only presents the Legacy of Moses and Akhenaten from a Jewish perspective but also demonstrates how one man s vision laid the foundations for Judaism as we understand it today In this insightful book Lebold describes Moses Akhenaten as both a courageous leader and a great religious theorist Documented in its pages are the life and ideals of a man who insisted that God could be experienced in the flow of history and that religion should be expressed through ethical actions It is the story of the pharaoh who helped define and establish the religious and ethnic identity of the Jewish people **The Hebrew Pharaohs of Egypt** Ahmed Osman,2003-09-19 Drawing on a wealth of detailed evidence from Egyptian biblical and Koranic sources Osman proposes that Joseph in the Bible might in reality also be Yuya a father of pharaoh *Egypt - From Joseph to Moses* Anne de Graaf,2015-01-26 Volume 3 covers Genesis chapter 41 to the end and the first 11 chapters of the book of Exodus Twenty stories pick up the thread of Joseph in Egypt describe Pharaoh s palace and depict the plight of the Hebrew people as Egyptian slaves God sends ten plagues as Moses begs for their release **Moses Son of Akhenaten?** Jayne Margaret Vine,2015 *Let Us Ponder* Kenneth L Lewis, Jr,2024-03-08 To be sure the instant book examines whether Akhenaten the historical and enigmatic figure and Pharaoh and his religion and followers were the bases for the stories about the Biblical Moses The Book of Exodus and the Israelites Unlike Ahmed Osman who concludes that Moses was raised by Israelites I posit that the lives of Akhenaten and his mother wife sister other family members and supporters were used to create the stories about Miriam Aaron and Hur who were described in the Books of Moses Therefore I compare the foregoing persons lives parenting education and eventual roles as leaders and priests prophets who spoke directly with their gods Similarly I posit that the renowned Ten Commandments were derived from and were based on the Negative Confessions of Maat Additionally I examine and analyze

the similarity among the religious structures symbols and iconography that Akhenaten and Moses used and described The work also includes pictures and illustrations that visually illustrate and galvanize the ideas and conclusions I present in the book

The Moses Mystery Gary Greenberg,2021-09-20 What Do History and Archaeology Really say about the origins of ancient Israel Although the bible says that Israel s formative history took place in ancient Egypt biblical scholars and Egyptologists have steadfastly refused to explore the role of Egyptian history and literature on the origins of Jewish religion The Moses Mystery attempts to set the record straight Based on extensive research into biblical and Egyptian history archaeology literature and mythology Greenberg argues that the first Israelites were Egyptians followers of the monotheistic teachings of Pharaoh Akhenaten Some of the many intriguing revelations in The Moses Mystery include Ancient Egyptian records specifically identify Moses as Akhenaten s chief priest and describe the Exodus as the result of a civil war for control over the Egyptian throne Abraham Isaac and Jacob were characters from Egyptian mythology The Twelve Tribes of Israel never existed

**Identifying Moses As a Pharaoh of Egypt** Travis Goodsell,2016-09-09 Ever wonder who Moses was The Bible only leaves us with clues The key to unraveling the secret was in the Egyptian records all along With Section 84 of the Doctrine and Covenants there is a connection of Moses with one particular Pharaoh of Egypt that of Akhenaten The two share the same identity with the actions they performed This then opens up our minds as we read the Bible to learn who Moses was and what he did

*Akhenaten and Tutankhamen* Zoe Lowery,Susanna Thomas,2016-12-15 Once Akhenaton came to power in fourteenth century Egypt life changed dramatically He completely reformed the country s religion and he replaced the traditional gods with a single god Aton the sun god His religious fervor went so far that he changed his own name to Akhenaton meaning beneficial to the Aton from Amenhotep IV His people were dissatisfied and soon after his death and with the rule of Tutankhamen the country returned to its traditional deities Although Tutankhamen is famously known for his lavish tombs his short rule is also marked by the restoration of art and any temples damaged during Akhenaton s rule
