Mr Burnette's book fits the bill perfectly. I echo all the sentiments of the other reviewers: the author is a top notch communicator. Michael Burnette's ham radio exam prep book is the most useful and comprehensive book that I have found on this subject and makes getting ready for this exam not only easy but fun. I have learned so much since studying this guide and feel ready to take this exam at a moment's notice. The guide has a wealth of information not only on the questions and answers but on the exam itself that is sure to put any test taker's mind at ease. The Audible copy was GREAT because Michael Burnette is an exciting and entertaining and memorable guide. Thank you. Thank you a thousand times over. I bought your book in order to study for my tech license. Kindle version and the audiobook and I loved them. I originally bought CDs and they confused me. I bought yours and it made learning simple and enjoyable. I did this to surprise my husband of 30 years who has had a license since the early parts of our marriage. He has asked me off and on to consider getting a license and I kept saying no. Well, with the help of your book and audiobook I was able to blow his doors off and pass my technician exam first try. Now if you only had volumes for general and expert the world would be perfect. Seriously thanks again. **Amateur Radio Technician Question Pool and FCC Rules** Shane Godmere, 2018-02-02. Do not think of a black cat. The brain does not process negatives very well. It takes in information first and then later attempts to filter out false data. To expose someone to incorrect answers on a test is to place fraudulent information in memory and then say to the brain: Don't remember these answers. It is for this reason the only answers you will encounter in this book are the correct ones. For those who wish to memorize only the answers there are no

The Fast Track to Your General Class Ham License Michael Burnette, 2018-06-13 Everything you need to prepare for your General Class Ham License now in large print edition. Covers every question on the General exam exactly as they will appear on your exam. Memorizing 400 random answers is hard and boring. Learning is easy. If you've made the decision to open up your ham radio world by going for the General Class License, great. General is certainly more challenging than Technician but The Fast Track to Your General Class Ham Radio License explains the reasoning and technology behind each correct answer on the General Class exam so you'll understand and remember the subject matter. Created by an experienced ham and adult educator, it's like having your own patient, experienced, good humored mentor for the exam. To get your General Class license you must pass a multiple choice test. The General license test consists of 35 questions drawn from a pool of 462. Memorizing the answers to 462 disconnected questions is difficult but The Fast Track makes getting your upgrade easier by explaining the logic behind each correct answer. It's simple. When you understand the material and you have a context for the material, you remember the answers and pass the test. Best of all, once you've passed your exam, you'll have a solid grounding in ham radio basics. Includes every possible question and every answer. Correct answers clearly marked in bold. Precise instructions for how to locate a testing session, how to prepare and even what to bring and what not to bring to the test. All technical topics explained in clear plain language, often with illustrations. Step by step instructions to solve all the math problems. Test taking strategies. Hints to easily solve many questions and avoid the traps in the test. Written in learning order, not just the confusing order of the official question bank.
