reproving nobles and monarchs denouncing the judgments of Heaven against all transgressors and asserting the claims of the Divine law and government above all human authority In his Prophecies he takes a wide range surveys those nations which power or wealth or learning or commerce had raised to the highest celebrity in those remote times and describes their rise and fall and wonderful revolutions so eagerly traced lay us in the page of history as the execution of Jehovah s counsels and the arrangements of unerring wisdom But chiefly does he pour out rich instruction concerning the Messiah whose life and sufferings and death and glorious reign he delineates so faithfully and with such thrilling interest that he has obtained the appellation of The Evangelical Prophet *Catalog of Copyright Entries* Library of Congress.
