Captivators for Christ R.C. Milco,2019-04-02 The impossibility of forgiving another as we have been forgiven was intended to drive us to our knees When our lives are shredded in the proclamation of Him who pardoned the undeserving we are propelled into the only Refuge we have the Redeemer who bought us back from the dead and now enables us to serve in His style of ministry From where do our reserves come when expenditures are daunting Where do we find strength to persevere And how are we to not lose heart when longing to see others captivated by the Lord s love we fail to witness any fruitfulness in the long suffering Through the Biblical meditations offered in Captivators for Christ the reader is invited to contemplate the cross where all of the forfeitures and losses of extending forgiveness are eclipsed by the lavish and matchless love of God our Rescuer *NIV, Lifehacks Bible* Zondervan,2016-06-07 Practical and achievable techniques to build Godly habits and enhance your walk with God A Lifhack describes any advice shortcut tip or skill that will help you get things done more efficiently and effectively The NIV Lifehacks Bible uses lifehacking methods to give you practical and achievable tools to integrate spiritual habits into your busy technology centric 21st century life With 365 articles covering 30 life changing disciplines not only does this Bible illuminate scriptural wisdom on spiritual practices it provides practical tips and strategies for applying them every day Featuring a foreword by author and theologian Kevin DeYoung the NIV Lifehacks Bible is full of common sense articles on foundational topics such as prayer self reflection character formation and fasting as well as advice and helpful tips for building habits around these disciplines Features Complete text of the accurate readable and clear New International Version NIV 4 Tips for Making Wise Decisions 6 Steps for Interpreting the Bible 7 Questions for Recognizing Intentional Sins 4 Tips for Finding Time to Pray **Creating Freedom** Raoul Martinez,2017-01-31 The ideal of freedom is at the heart of our political and economic system It is foundational to our sense of justice our way of life our conception of what it is to be human But are we free in the way that we think we are In Creating Freedom Raoul Martinez brings together a torrent of mind expanding ideas facts and arguments to dismantle sacred myths central to our society myths about free will free markets free media and free elections From the lottery of our birth to the consent manufacturing influence of concentrated power this far reaching manifesto lifts the veil on the mechanisms of control that pervade our lives It shows that the more we understand how the world shapes us the more effectively we can shape the world A highly original exploration of the most urgent questions of our time Creating Freedom reveals that we are far less free than we like to think but it also shows that freedom is something we can create together In fact our very survival may depend on our doing so

Lesson Plans for Life Kay Kevan Callentine,2016-01-25 This book is the culmination of several years of writing It is the authors desire to serve the Lord by providing writings that will encourage others as they walk with the Savior These devotional materials are based on the Word of God and the Scriptures and experiences are meant to help the reader grow and mature as he or she too encounters the living Lord **The Bible, Sexuality, and Culture** Brian Neil

Peterson,2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy s undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture s rejection or undoing of every one of God s mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word *How South Africa Works* Jeffrey Herbst,Greg Mills,2015-07-01 The overwhelming challenge that South Africa faces and has to date failed to address is unemployment which falls especially on African youths who were promised a better future after 1994 If the current unemployment challenge is not addressed it will be impossible to sustainably lift many millions of people out of poverty How South Africa Works reviews the country s major economic achievements over the past two decades Through numerous interviews with politicians business leaders and analysts it examines the challenges and opportunities across key productive sectors including agriculture manufacturing services and mining illustrative of the policy challenges that leaders face It scrutinises the social grant and education systems to understand if South Africa has established mechanisms for people not only to escape destitution but be ready to be employed and identifies steps that some of South Africa s most notable entrepreneurs have taken to build world class enterprises Recognising the essential challenge to cultivate more employers to employ people How South Africa Works concludes by offering an agenda and active steps for greater competitiveness for government business and labour

Women Defendants and International Law Sheri Labenski,2024-07-05 This book addresses the largely neglected place of women defendants in contemporary international criminal law beyond the construction of women as victims and asks what the analysis of women perpetrators defendants and suspects reveals about international criminal law the media and feminism The book uses the topic of women perpetrators defendants and suspects as a way to explore the concept of legal subjectivity via a gender

analysis It highlights how women perpetrators defendants and suspects are constituted through three spheres namely the areas of international criminal law the media and feminism In examining the relationship between women perpetrators defendants and suspects and each of these spheres the book exposes embedded gender biases and structural gender fractures These reveal that problematic assumptions about how gender operates in conflict are embedded in the very foundations of legal imaginations Ultimately the book argues that this has far reaching consequences beyond its impact on current understandings of armed conflict Rather these assumptions should be a concern for us all even in times of peace This book will be of use to legal academics and practitioners interested in gender within international criminal law as well as those concerned with contemporary feminist approaches to law *Saving the World* Allison Giffen, Robin

Cadwallader, 2017-08-23 This book makes a significant contribution to the burgeoning field of childhood studies in nineteenth century literature and culture by drawing on the intersecting fields of girlhood evangelicalism and reform to investigate texts written in North America about girls for girls and by girls Responding both to the intellectual excitement generated by the rise of girlhood studies as well as to the call by recent scholars to recognize the significance of religion as a meaningful category in the study of nineteenth century literature and culture this collection locates evangelicalism at the center of its inquiry into girlhood Contributors draw on a wide range of texts including canonical literature by Harriet Beecher Stowe Susan Warner and Elizabeth Stuart Phelps and overlooked archives such as US Methodist Sunday School fiction children s missionary periodicals and the Christian Recorder the flagship newspaper of the African Methodist Episcopal AME Church These essays investigate representations of girlhood that engage codify and critique normative Protestant constructions of girlhood Contributors examine girlhood in the context of reform revealing the ways in which Protestantism at once constrained and enabled female agency Drawing on a range of critical perspectives including African American Studies Disability Studies Gender Studies and Material Culture Studies this volume enriches our understanding of nineteenth century childhood by focusing on the particularities of girlhood expanding it beyond that of the white able bodied middle class girl and attending to the intersectionality of identity and religion **Honor in America?** Laurie M. Johnson, 2016-12-21 Is there

such a thing as American honor or is honor simply incompatible with modern liberal democracy and capitalism Tocqueville s Democracy in America is particularly well suited as a means of exploring these questions Through an in depth analysis of Tocqueville s views on aristocratic versus American democratic honor this book explores what honor might mean in the modern Western context Its aim is to strengthen citizens moral obligations and understandings of community in the face of forces within democracy and capitalism that naturally erode these binding and stabilizing influences With a focus on discovering a uniquely American honor this book covers Tocqueville s views on American religion family and gender roles politics relations with Native Americans white southerners and slavery and the military It explores how these views can help us form a uniquely American honor code one that re envisions and incorporates suitable aristocratic elements within a

modern democratic society and a capitalistic economy **What Went Right** Roberta Israeloff, George McDermott, 2017-05-24 In *What Went Right* Lessons from Both Sides of the Teacher's Desk co authors Roberta Israeloff and George McDermott resume a conversation they began in 1967 when she was in eleventh grade at Syosset N Y High School and he was her English teacher In 2014 after finding each other on Facebook they began an email correspondence as contemporaries rather than student and teacher and quickly discovered that neither had ever stopped thinking about that school and the many ways it influenced them As they shared their impressions of how and why public education has changed since then they realized that a single academic year can have a deeper and longer lasting impact than they had ever imagined Personal and probing evocative and wide ranging the letters that compose this book ask and attempt to answer some timeless and timely questions What makes a teacher or a class memorable How can the teacher student relationship be supported and strengthened What does being educated truly mean And perhaps most important what role can free public education play in sustaining our democracy *Advancing Learning Within and Beyond the Classroom* Bradley Lightbody, 2021-11-29 This insightful book sets out five core elements of good practice that will lead to great teaching and learning both within and beyond the classroom It looks in detail at the learning process and how teachers can support this through a rich mix of teacher led direct instruction and collaborative and online learning both flipped and blended Covering five major themes to reset our pedagogy *Advancing Learning Within and Beyond the Classroom* presents the key evidence about what works alongside practical activities to adopt or adapt to enhance your own practice The chapters cover the application of precise curricular knowledge the presentation of key questions to guide check and deepen learning elaboration to build deep understanding personalised feedback to accelerate progress the introduction of regular challenges to drive high learning outcomes and relevant commercial and world class standards Including a comprehensive overview of evidence based practice and a wealth of practical strategies to drive engagement and productive learning this is essential reading for all teachers working in secondary schools or further education *Sexuality & Holiness*. Mike Williams, 2022-08-08 Uncompromising but compassionate Mike tackles the tricky issues of same sex relationships gender and the Church's interaction with individuals of the LGBTQ community today Writing for the Church to challenge the Church he does not shy away from the tough questions including What does the Bible actually say Are believers living with a Kingdom first mindset or going with the cultural flow How can the Church keep love and truth in tandem in supporting the LGBTQ community And much more This resource highlights what the Word of God plainly teaches about gender and sexuality I would love to see faithful Christians present a copy of *Sexuality Holiness* to every pastor and church leader throughout the country Pastor John of Strengthen the Faithful As someone working with young people engulfed with pressing ethical topics of sex sexuality and gender I have found this book to be an incredible resource I highly recommend it for its honest tone and accessible style to leaders and members of youth groups alike Jenny Ogwal Youth Leader I know Mike Williams to be a man of integrity and he

has approached this important subject with humility and compassion Throughout the book the emphasis is that rather than being a killjoy God actually longs to bless people Reverend John Bridger **The Age of Accountability** Dominic Belmonte,2020-05-14 It s clear that American public education has been under assault for more than the last 30 years So much of this current age of accountability has focused on blame both of teachers and those who prepare them Somehow unlike in other professions declarations were made to the effect that anyone could teach better than teachers including business leaders and people from tony universities without teacher preparation The Age of Accountability scrutinizes the attack on teachers through weaponized data While an effective corporate tool to improve bottom line goals its use in education became more sinister and misanthropic International PISA scores imply the mediocre ability of American students fueling a belief that American education needed more than an upgrade The only answer that would placate many was a complete upheaval a redefinition of a teacher and who should be permitted to become one We teachers ceded authority to these business and legislative forces Their subsequent fervor for testing overwhelmed teaching and drove the joy out of schooling for students It is time for a recounting of what has been done to the profession and to our children Young teachers need encouragement and veteran teachers need reminding of their valiant and effective efforts Perfect for courses such as History of Education Assessment in Teacher Evaluation Value Added Metrics Urban Education University Teacher Preparation Teaching and Learning *English Teaching and Evangelical Mission* Bill Johnston,2017-01-25 Debates about the place of mission work in English Language Teaching continue to rage and yet full length studies of what really happens at the intersection of ELT and evangelical Christianity are rare In this book Johnston conducts a detailed ethnography of an evangelical language school in Poland looking at its Bible based curriculum and analyzing interaction in classes for adults He also explores the idea of relationship in the context of the school and its mission activity and more broadly the cultural encounter between North American evangelicalism and Polish Catholicism The book comprises an in depth examination of a key issue facing TEFL in the 21st century and will be of interest to all practitioners and scholars in the field whatever their position on this topic Engines of Privilege David Kynaston,Francis Green,2019-02-07 Thoroughly researched and written with such calm authority yet makes you want to scream with righteous indignation John O Farrell We can expect the manifesto writers at the next general election to pass magpie like over these chapters The appeal to act is heartfelt Financial Times _____ Includes a new chapter Moving Ahead Britain s private fee paying schools are institutions where children from affluent families have their privileges further entrenched through a high quality richly resourced education Engines of Privilege contends that in a society that mouths the virtues of equality of opportunity of fairness and of social cohesion the educational apartheid separating private schools from our state schools deploys our national educational resources unfairly blocks social mobility reproduces privilege down the generations and underpins a damaging democratic deficit in our society Francis Green and David Kynaston carefully examine options for change while drawing on the valuable

lessons of history Clear vigorous prose is combined with forensic analysis to powerful effect illuminating the painful contrast between the importance of private schools in British society and the near absence of serious policy shaping debate

_____ An excoriating account of the inequalities perpetuated by Britain's love affair with private schools The Times *Retaking America* Nick Adams, 2016-02-23 Political correctness has ripped through America turning life liberty and the pursuit of happiness into lifelessness suppression and the pursuit of mediocrity Meanwhile Europe is in its death throes completely infected by the political correctness disease Australian Nick Adams believes only America has the cure But the race is on Will America be able to save itself in time and lead a stunning turnaround or will it succumb to a European fate With creativity flair and his trademark wit Australian Nick Adams deftly exposes why political correctness is behind every problem in America today and why it is every American's patriotic duty to defy politically correct mandates He explains Americans face a momentous choice in this election year and lays out a roadmap for an American renaissance **They Shall Lay Hands on the Sick and the Sick Will Recover** Evangelist Dan Nolan, 2018-06-01 What does the Bible say about healing Christians have been empowered by God to pray for and minister healing to others This ranges from physical ailments and mental disabilities to emotional wounds and deficiencies However there are certain things all Christians MUST learn if they want to get the maximum results possible when it comes to healing whether it's for themselves or for someone else It is God's desire that all should be healed They Shall Lay Hands on the Sick and the Sick Shall Recover is an enticing collaboration of testimonies scripture and commentaries to help you effectively assist those in need of God's healing power Learn how to Make more power available to you to deal with demonic influences affecting health Discern the source of the sickness Flow in the gifts of the Spirit to administer healing and Live a consecrated life so God can use you as He desires
